a clear cogent and comprehensive account of the rationale and methods of dialogue therapy and real dialogue this volume introduces models of facilitated dialogue designed specifically to end polarization this book offers a straightforward and comprehensive encounter with some of the most effective theories and methods to facilitate dialogue and disrupt deadening power struggles between life partners grown children and

parents siblings co workers and others whose conflicts have led to harmful polarizations the book is based on ideas and relational models from mindfulness and psychoanalysis that have not been applied in this unique way before this melding of mindfulness containment concentration equanimity maintaining a mindful gap with the psychoanalytic understanding of projection and projective identification the hijacking of our subjective experiences creates much more than light at the end of the tunnel it engenders the acceptance of another that leads to love and insight based on the recognition and acknowledgement of our autonomy and our common humanity in the midst of conflict this book introduces a new revolutionary model for couple therapists life coaches group facilitators and leaders to open a mindful space that increases witnessing capacities in the midst of emotional conflict without imposing goals of agreement reconciliation or compromise

immersed with wisdom empowering dialogues within is a unique client workbook filled with narratives case vignettes and exercises providing mental health professionals with a broad based toolkit to help clients become more self aware it is filled with instructive case examples and practical advice for building clients confidence wisdom and sense of wellness and a foundation for lifelong strength and growth

this groundbreaking book explains the whats and how tos of metacognitive therapy mct an innovative form of cognitive behavioral therapy with a growing empirical evidence base mct developer adrian wells shows that much psychological distress results from how a person responds to negative thoughts and beliefs for example by ruminating or worrying rather than the content of those thoughts he presents practical techniques and specific protocols for addressing metacognitive processes to effectively treat generalized anxiety disorder obsessive compulsive disorder posttraumatic stress disorder and major depression special features include reproducible treatment plans and assessment and case formulation tools plus a wealth of illustrative case material

a practical resource that your students can return to again and again to guide and coordinate their pluralistic practice it provides hands on guidance to developing pluralistic practice providing the tools skills and practice frameworks a step by step understanding of how the ideas and methods of different orientations can contribute towards a pluralistic way of working the tools and understandings needed to work with clients to achieve the most common goals the tools and understandings needed to work with clients wishing to address particular issues such as depression anxiety addiction health issues suicidal thoughts an understanding of a range of professional and practice issues relevant to pluralistic practitioners each chapter offers definitions of key terms several case studies exercises and points for reflection further reading chapter introductions and summaries of key learning points and overviews of relevant research

families come in all shapes and sizes and all have love at their roots however by the time a family requests help from a psychotherapist

resentment fear and disappointment have often become the dominant forces ruling everyday life moving away from the medically focused problem diagnosis treatment model of psychotherapy peter rober s thought provoking new text conceptualises family therapy as a dialogue between living breathing people it emphasises the mutuality and relational context that serves as the backdrop of a therapeutic encounter whereby family members will interact emotions will be displayed and suppressed and practitioners will need to navigate carefully endeavouring not just to listen but to understand the stories being told astute and engaging throughout each chapter provides close analysis of a rich variety of case studies combined with an examination of key theories and concepts from different schools of thought in family therapy with a particular focus on dialogical thinking the book explores the ways in which these theoretical concepts can be applied in everyday practice situations written by a leading expert in the field this insightful new addition to palgrave s basic texts in counselling and psychotherapy series provides an accessible exploration of a complex area of practice it will prove invaluable reading for those studying family therapy specifically as well as students taking more general counselling and psychotherapy courses and practitioners looking for a fresh source of guidance

this volume includes references to aspects of dialogue of key psychotherapeutic schools it aims to connect psychotherapy s past with its future

in this book the author describes the dialogic therapist as someone whose therapy is guided by the use of systemic hypotheses helping the readers understand how the ideas and techniques can take their place among the vast array of ideas in the systemic field

this book walks the reader through the process of therapy in a step by step guide it discusses what it means to live a life of false self and how to find a sense of real self it discusses a wide variety of issues like anxiety family relationship romantic relationship negative behaviors and emotions and how to get rid of them how to get to our full potential what happiness really means what is the difference between love and anxious attachment what is assertiveness how to process suppressed memories and how to be able to see deeper into people s intention not just behavior

learn how to successfully negotiate conflicts and deepen our most intimate relationships in this practical and thoughtful guide by an experienced buddhist teacher psychotherapist and couples counselor a committed relationship as most people see it today is a partnership of equals who share values and goals a team united by love and dedicated to each other s growth on every level this contemporary model for coupledness requires real intention and work and more often than not the traditional archetypes of relationships experienced by our parents and grandparents fail us or seem irrelevant utilizing the wisdom of her years of personal and professional practice young eisendrath dismantles our idealized projections about love while revealing how mindfulness and communication can help us identify and honor the differences with our

partners and strengthen our bonds these practical and time tested guidelines are rooted in sound understanding of modern psychology and offer concrete ideas and the necessary tools to reinforce and reinvigate our deepest relationships

after a chance encounter with a handsome idealistic stranger on a plane in 1969 polly young eisendrath rediscovered ed epstein a decade later when she least expected it after untangling themselves from their existing relationships they married in 1985 and spent the next 25 years together they were soul mates but in 2001 ed at the vital age of 53 began to show signs of alzheimer s disease over the next 10 years as her husband gradually reversed his mental maturity young eisendrath was faced with the question what is love the present heart is an insightful journey of living in the present moment in a deeply moving yet unsentimental voice young eisendrath draws on her lifelong practices of buddhism and psychoanalysis and her own unique view of love as well as a circle of profound thinkers including author abigail thomas psychoanalyst nancy mcwilliams and buddhist teacher shinzen young a thoughtful meditation on the human experience the present heart shows how our most intimate relationships often the source of our greatest pain can prove to be our path to spiritual enlightenment the book offers a new perspective on how to maintain engaged reciprocal relationships with a partner parent child or friend under any and all circumstances
