wells fargo founded in san francisco during the gold rush as a money delivery express is now the fourth largest bank in the us and ranks number one in america s deposit market share it achieved initial success by being a trustworthy custodian of its customers wealth by staying true to a customer centric business model it aims to fulfil all its customers needs and help them succeed financially after establishing itself as one of the best community banks in the us wells fargo has expanded internationally as a global bank it has also significantly diversified offerings in order to gain market share because of a comprehensive range of products wells fargo is exposed to increasing risks and competition during the global financial crisis it was negatively impacted due to its large exposure to bad loans through acquisition of wachovia although the combination of advanced online banking

technology and its massive physical network makes wells fargo stand out from its competitors it remains challenging for the company to gain or maintain a leading position if not managed properly the diversifying strategy may in the end endanger wells fargo s overall market share the 2010 us financial reform legislation may limit growth potential for a large bank like wells fargo how wells fargo can succeed in this increasingly regulated yet highly competitive industry is an open question

history of wells fargo bank from its beginning as an express company its transition into a bank and its merger with other banks to form a stable productive institution

those striking images of stagecoaches traversing rugged mountain terrain are no mere marketing gimmick but part and parcel of wells fargo s storied past when henry wells and william fargo founded the company in 1852 the gold rush had already brought thousands of people to california and uncovered the largest amount of wealth then known to the world wells fargo served a unique role as a banking express or transporting and mail delivery agency in 1857 the company helped establish the overland mail company in 1861 it operated the pony express and in 1866 it put together a 3 000 mile network of stagecoaches running between california and nebraska three decades later wells fargo covered the nation over a web of iron rails miners and merchants ranchers and farmers alike depended on wells fargo the company always used the fastest means possible for its deliveries and fund transfers whether by riverboat ocean steamer pony express stagecoach railroad or the fastest method of all the telegraph
