ahdaf soueif the bestselling author of the map of love writes poignantly and beautifully about love and about finding one's place in the world achingly lyrical resonant and richly woven and with a spark of defiance these stories explore areas of tension where women and men are ensnared by cultural and social mores and prescribed notions of love where the place you are is not the place you want to be soueif draws her characters with infinite tenderness and compassion as they inhabit a world of lost opportunities unfulfilled love and remembrance of times past

from the best selling author of the map of love here is a bracing firsthand account of the egyptian revolution told with the narrative instincts of a novelist the gritty insights of an activist and the long perspective of a native cairene since january 25 2011 when thousands of egyptians gathered in tahrir square to demand the fall of hosni mubarak's regime ahdaf soueif author journalist and lifelong progressive has been among the revolutionaries who have shaken egypt to its core in this deeply personal work soueif summons her

storytelling talents to trace the trajectory of her nation's ongoing transformation she writes of the passion confrontation and sacrifice that she witnessed in the historic first eighteen days of uprising the bravery of the youth who led the revolts and the jubilation in the streets at mubarak's departure later the cityscape was ablaze with political graffiti and street screenings and with the journalistic and organizational efforts of activists including soueif and her family in the weeks and months after those crucial eighteen days we watch as egyptians fight to preserve and advance their revolution even as the interim military government the supreme council of the armed forces throws up obstacles at each step she shows us the council delaying abdication of power undermining efforts toward democracy claiming ownership of the revolution while ignoring its martyrs we see elections held and an islamist voted into power at each scene soueif gives us her view from the ground brave intelligent startlingly immediate against this stormy backdrop she interweaves memories of her own cairo the balcony of her aunt's flat where as a child she would watch the open air cinema her first job as an actor on a children's sitcom her mother's family land outside the city filled with fruit trees and palm groves in sight of the pyramids in so doing she affirms the beauty and resilience of this ancient and remarkable city the book ends with a postscript that considers egypt's more recent turns the shifts in government the ongoing confrontations between citizen and state and a nation's difficult but deeply inspiring path toward its great human aims bread freedom and social justice in these pages soueif creates an illuminating snapshot of an event watched by the world the outcome of which continues to be felt across the globe

ahdaf soueif was born and brought up in cairo when the egyptian revolution of 2011 erupted on january 25th she along with thousands of others called tahrir square home for eighteen days she reported for the world's media and did like everyone else whatever she could cairo tells the story of the egyptian revolution of how on the 28th of january when the people took the square and torched the headquarters of the hated ruling national democratic party the same people formed a human chain to protect the antiquities museum and demanded an official handover to the military it tells how on wednesday february 2nd as the people defended themselves against the invading thug militias and fought pitched battles at the entrance to the square in the shadow of the antiquities museum the same people at the centre of the square debated political structures and laughed at stand up comics and distributed sandwiches and water people everywhere want to make this revolution their own and we in egypt want to share it ahdaf soueif novelist commentator and activist navigates her history of cairo and her journey through the revolution that's redrawing its future through a map of stories drawn from private history and public record soueif charts a story of the revolution that is both intimately hers and publicly egyptian
