définir de façon univalente la notion de mythe et celle d'utopie semble en soi une entreprise tout à fait utopique par ailleurs jumeler les deux notions celle du mythe et celle d'utopie relève d'un processus de réflexion qui peut facilement être à double tranchant le mythe construction par excellende de l'imaginaire humain ne se situe t'il pas ailleurs que dans un non lieu et l'utopie quant à elle ne fait elle pas écho au mythe à la fois s'en inspirant le niant et le transformant

redondance possible et aussi parfois refus des deux domaines à admettre leur interdépendance cheninement parallèle surtout et création commune de ce qui en fin de compte s avère mythe transformé utopie revistée toutefois mythes et utopies quels que soient la position choisie le point de vue défendu semblent faire bon ménage à en juger par ce projet mavec dix neuf textes couvrant principalement la littérature contemporaine des femmes mais puisant parfois aux oeuvres antérieures qui ont déjà préparé le terrain en offrant des visions d existences idylliques ne serait ce que littéraires

written at a time of global pandemic when we have been forced to confront age old existential questions why are we here where are we going perhaps for the first time quo vadis is extraordinarily relevant to leaders managers and anyone who wants to bring meaning and authenticity into their work and life manfred kets de vries argues that we need to address these fundamental and disturbing questions if we are to live fully and meaningfully too many people wake up on a monday morning and do the same things they have done every monday they go to

work and function on autopilot without questioning their purpose but how can we make sure our lives are rich and fulfilling how do we know we're on the right track this is a book about death and the fear of death about angst and absurdity but it is also about endurance honesty well-being responsibility living with hard truths creating meaning and happiness quo vadis makes us look full on at the things we prefer not to see it is a short book that pulls no punches but is far from bleak instead kets de vries shows that our life is enriched and our ability to make meaning and find happiness is increased when we acknowledge the inevitable price we have to pay for knowing our own mind and understanding our inevitable end

a few years ago i was standing outside a bar with some friends of mine over a drink i remember telling a story of what happened to me once and that s when my friend said john you need to write a book that really made me think and not long after i started to write my story i always thought my life were never boring but rather exciting since a young age actually it was a mind pleasure to sit down and go thru it again as i wrote it live your life as if you stole it was always

one of my favorite motto one of my questions was how much did i want to reveal and to what extend well if i am going to write my life and stories then might as well go all the way was my answer so i wasn t shy writing in explicit my sexual experiences drugs and alcohol use some of it could be shocking but it is the truth for privacy all names have been changed if some of my ex wives read this book they will be so mad that the least i could of done is to protect their identity you will find a mix of steamy sex love romance part thriller and adventurous

time for a heart to heart is not your typical memoir but is rather eclectic in tone at times philosophical poetic poignant uplifting confessional hysterically funny and nostalgic but most of all it is an inspiring story of the triumph of hope and the human spirit in the face of the direst of circumstances and the ultimate challenge of survival people who have gone through significant heart disease or have undergone organ transplants as well as their families and friends will appreciate this book about a year ago bob mitchell became very sick he would endure three near fatal episodes of ventricular tachycardia due to a heart muscle comprised of 54 scar tissue as well as heart surgeries two harrowing months of waiting on the transplant list for a new heart on life supporting iv drips during which time a malignant tumor was detected in his kidney partial nephrectomy surgery to remove the cancer another month of waiting 12 hour heart and kidney transplant surgery and 100 days on life support in four different hospitals a novelist at heart bob s ordeal seemed like a memoir screaming to be written not simply a narrative of the physical and emotional experience of what it s like to go through and recover from a transplant it is at its core both a thought provoking introspective monologue and an intimate dialogue with the reader concerning life s fundamental conflicts that the author pondered during his ordeal these experiences and tribulations gave clarity and perspective to the things bob had been thinking teaching and writing for over five decades fear and hope despair and joy failure and success pride and humility thought and feeling control and surrender arbitrariness and justice constriction and freedom youth and age life and death

bria had just one wish one desperate desire and the only place she would be able to have it come true would be at the annual midnight fantasies masquerade ball it would be interesting to see if the hosts truly granted everyone s wildest fantasies as they promised or if it was just meaningless hype after all how many women attending were wanting to die at the automated hand of a sex

machine
