sons of britches the great american chuckwagon dinner show the haygoods the grand jubilee these are just a couple of the many shows performed in branson mo where the seemingly innocent entertainment fuels american conservatism branson missouri the ozark mountain mecca of wholesome entertainment has been home to countless stage shows espousing patriotism and christianity welcoming over ten million visitors a year some consider it god's country and others as close to hell as anything on earth for joanna dee das branson is a political religious and cultural harbinger of a certain enduring dream of what america is she takes branson more seriously than the light hearted fun it advertises and maybe we should too for das branson's performers offer visions of the american dream that embody a set of values known as the three fs faith family and flag branson boosters insist that these are universal values that welcome all people the city aims to capture as many tourists as possible but over the past several decades faith family and flag have become markers of contemporary conservatism the shows and culture of branson for all their fun and laughter have been a galvanizing political force for white working and middle class christian americans for social and economic conservatives alike branson is practically proof of concept for america as they want it to be faith family and flag is a comprehensive history of the branson entertainment industry within the context of america's long culture wars das reveals how and why a town known for popular entertainment a domain associated most often with the political left hollywood liberals came to be so important to the political right and its vision for america

this book explores the uniquely roman articulation of pride as a negative emotion and traces its partial rehabilitation that begins in the texts of the augustan poets at the time of great political change using a combination of a lexical approach and a script based

approach that considers the emotion as a process
