this book contains two high quality practice tests of 80 questions each with answers and explanations to help you pass or improve your score on the free online neo4j certified professional exam all questions are closely emulated from those currently found in the actual exam so you'll not waste time on anything else unlike the real exam you'll know right away what questions you missed and what the correct answers are detailed explanations with external references for any possible choice in each practice test question quiz types distributed close to 50 multi choice 25 multi select 25 true false domains distributed close to the real exam 40 cypher 30 intro 20 modeling 10 developer questions will test you on neo4j version 3 x but explanations will have updates on deprecated features and change history why not just trying again and again the free online exam until i pass because starting may 2020 you can try only once a day the real online exam because the high number of multi answer questions and the gotcha tricks may give you no idea what went wrong because it is time consuming and you can easily get stuck at the same low scoring mark because nothing tells you where and what you failed and next time you will likely make the same wrong choices because you can hardly improve without knowing what went wrong because you may

want to get a better passing score anyway as long as it appears on your issued certificate same e book as live practice tests on udemy neo4j certified professional practice exams

enhance your certification score even though you're working at a top company you'll want to keep your certification score up it's important for your job search especially if you want to go for a higher level position when you're looking for new jobs people are going to be screening your resume a bit with certifications understand the test structure and what to expect then walk through each topic area quiz yourself with practice questions and answers and ensure you're ready to take the certification scenario based exam questions for vlocity platform application developer prep practice exam online practice exam to be completed in specified time duration practice tests are created by subject matter experts your results are immediately available while you stay focused on your exam results practice tests provides the answer to a test questions you haven't already learned exam questions similar to actual certification exam life time access to practice tests to try as many times until you master the subject you have access to practice test answers 24 hours a day 365 days a year if you're not satisfied you can easily return to the practice test to make corrections the practice test have been designed carefully by maintaining the exam structure syllabus topic weights cut score and time duration same as actual certification exam the aim of the practice exam is to allow the candidate to identify the risks related to exam topics and be able to recognise them when analysing a real practice scenario applicants will need to make sure that they are able to complete the practice examination in its entirety and pass all the multiple choice tests in general nature exam name vlocity platform application developer prep practice exam exam duration 90min exam format multiple choice and multi response questions number of questions 50 questions eligibility pre requisite nilexam language english pass score 70
