there s no fool like an old fool the saying goes what is it about wisdom that sets it apart from mere intelligence what is that elusive difference between a simple grasp of the facts and profound understanding wisdom has fascinated the human race for thousands of years philosophers are notorious for being in love with it and for centuries writers have tried to capture its essence in proverbs and fables in this book trevor curnow provides an accessible introduction to wisdom and the many ways we have thought about and tried to achieve it throughout history drawing on examples from a diversity of eras and places from ancient egypt to medieval europe to modern africa curnow explores the ways we have sought to overcome the problems posed by our existence such as love and death with a steadfast wisdom he shows how many cultures have attributed wisdom to deities such as apollo odin and sarasvati and how especially we have placed it within the vehicle of the proverb which has safeguarded its lessons throughout time and across cultures including a collection of one hundred sayings that offer a rich record of wisdom s reification this history gives new insight into what wisdom actually is and where we might find it

vols for 1905 include also the proceedings of the general conference of the deseret sunday school union
