jesus gives the holy spirit to make people his followers and to guide them as disciples disciples of the holy spirit helps christians to understand the work of the holy spirit to clarify the role of the spirit in their lives as believers and to guide them along moral paths so they may embrace the

spirit's gifts and bear fruit to the glory of God. Author George P. Kimber taps his knowledge and experience from nearly six decades of discipleship as an evangelist, pastor, teacher, and professor to explain the gifts and fruits of the Holy Spirit. He outlines God's need for disciples in today's challenging times. He tells how the Holy Spirit empowers individuals to follow Jesus' unique model of discipleship. He describes the ethics of discipleship that Jesus taught in His sermon on the Mount and that His apostles carried out in their ministries. He reinforces the truth that Godly love underlies all of the Holy Spirit's work in the lives of disciples. Disciples of the Holy Spirit will guide you both in understanding how the Holy Spirit's gifts and fruits come to life in your discipleship and in applying moral principles to the faithful practice of the Spirit's gifts. In the end, you will come to know the Holy Spirit and its holistic work in your life.

Everyone is being discipled. The question is, what is discipling us? The majority of Christians today are being discipled by popular media, flashy events, and folk theology because churches have neglected their responsibility to make disciples. But the church is not a secondary platform in the mission of God; it is the primary platform God uses to grow people into the image of Jesus. Therefore, as church leaders, it is our primary responsibility to establish environments and relationships where people can be trained, grow, and be sent as disciples. There are three indispensable elements of discipleship: learning to participate in the biblical story, the Bible, growing in our confession of who God is and who we are, theology, regularly participating in private and corporate intentional action, spiritual disciplines. Deep discipleship equips churches to reclaim the responsibility of discipling people at any point on their journey.

The command to preach the gospel in order to win souls and make disciples of them was given by the Lord Jesus Himself. In this book, soul-winning and the making of disciples, Dr. Z. T. Fomum reiterates that command with emphasis on the fact that every child of God is called upon to

carry out this great commission and anyone who fails to obey is rebelling and courting god's disfavour soul winning goes hand in glove with the making of disciples because it is a chain process those won to him must be made into disciples and taught how to win others and make them into disciples in this whole matter the spirit filled life is a prerequisite for Jesus asked the disciples to wait until they were clothed with power from on high but the spirit of God would not fall on the fearful worldly indulgent lovers of ease lovers of pleasure and compromisers all such must repent and get right with God we send this book out with prayer that the Lord would be pleased to use it to produce labourers in our generation to carry out the urgent task of soul winning and the making of disciples

the making of disciples which discipleship represents forms the nucleus of God's salvation plan for humankind in line with this noble objective Jesus made this his main task while on earth he attached great emphasis on quality discipleship and consequently commanded total obedience to this great kingdom work the mark of discipleship aims to open our understanding to the real meaning and scope of the divine task of drawing and winning a lost and directionless world to God through painstaking and costly sacrifices it helps highlight the positive roles divine grace wisdom prophecy prayer and the Holy Spirit play in achieving the discipleship work of God's kingdom it also restates the compelling need for both quality control and urgency in the course of finishing this huge task this book offers some biblical and contemporary models to help the church effectively build this kingdom work of discipleship

take time and trouble to keep yourself spiritually fit 1 Tim 4:7 J. B. Phillips translation as J. Oswald Sanders points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle true disciples pursue their Master they know that God is watching over their faith but they also take Scripture's command seriously work out your own salvation with fear and trembling for it is God who works in

you they take pains by his power to look more and more like Jesus this book will help you to be such a disciple it examines Jesus teaching on what it means to follow him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians you will learn the profile of an ideal disciple conditions for discipleship the tests that disciples endure how disciples pray and grow the posture and practices of a disciple and more for anyone who wants to be not just a believer in Christ but an imitator of him this book is a treasured resource includes questions for reflection ideal for both individual and group study
