jesus and the book of acts are the standard of normal christianity remember the fad a few years ago when people wore bracelets reminding them what would jesus do christians state that jesus is the example of how to live yet this has been limited in many cases to how we view our moral character when christians tell me that they want to live like jesus i like to ask if they have multiplied food healed the sick walked on water raised the dead paid their taxes with fish money calmed storms and so forth i typically receive bewildered looks but that s what it is like to live like jesus perhaps we are ignoring a large portion of what living like jesus really includes while i agree that we are to live like jesus those who say they live in god should live their lives as jesus did 1 john 2:6 nlt i am also aware that the application of jesus model has been minimized to something that can be accomplished by living a moral life many christians believe that they can live like jesus without ever operating in the supernatural after reading in the bible about all of the miracles he performed does that sound right to you excerpt from book
