this text is a companion volume to the four part pbs documentary series of the same name essays by five historians of american education examine the history of the american public school system from colonial times to the present they consider a variety of issues faced by educators parents politicians and voters over the decades including state versus local control educating non english speakers specialized vocational tracks approaches to school integration the use of intelligence and standardized tests to assess academic potential the challenges to providing the same quality of education to districts of varying socio economic levels serious writing but accessible to general readers interested in public education c book news inc

this is an in depth yet quite accessible overlook of public policy in the united states with this updated version peters text keeps up with the ever changing world of american public policy while still giving students the tools to better understand this process michael e bednarczuk university of wisconsin milwaukee this updated edition of american public policy provides a comprehensive yet accessible overview of the policy making process from procedural approaches and policy instruments to in depth analysis of specific policy issues the eleventh edition considers how policy has been impacted by recent economic and political developments not shying away from the complexity of governmental procedure peters ensures that the mechanisms of the policy process are understandable through insightful discussions of topical policy areas give your students the sage edge sage edge offers a robust online environment featuring an impressive array of free tools and resources for review study and further exploration keeping both instructors and students on the cutting edge of teaching and learning learn more at [edge.sagepub.com/peters11e](http://edge.sagepub.com/peters11e) bundle american public policy 11e with any of the following texts for

only 5 more issues for debate in american public policy 19e use bundle isbn 978 1 5443 4592 5 the cq press writing guide for public policy use bundle isbn 978 1 5443 4141 5

this volume provides a comprehensive and balanced survey of the state of american public education it examines the trend in the quality of the public schools over the past 100 years and reviews the possible reasons for a decline in quality the work focuses on the importance of local control in american public education and how it has been steadily eroded franciosi advocates school choice as a way of restoring greater control by parents over their children s schools this work is distinct among calls of reform in that it takes a skeptical attitude towards the centralized school reform movement that has culminated in the no child left behind act it discusses important topics that have been the subject of research including the effect of teachers unions tiebout competition and local control and school finance reform franciosi follows the many trajectories taken by america s public schools over the past century it shows that the united states has been a world education leader in both access for all children and resources spent despite this there are still some worrisome trends while school spending has steadily increased student achievement has fluctuated and remains below that of students in other developed nations initiatives to close the gap in achievement has fluctuated and remains below that of students in other developed nations initiatives to close the gap in achievement and resources among students of various socioeconomic racial and ethnic backgrounds have been only partially successful past efforts to reform public education have led to increasingly centralized control over public schools this piece will be important to those who are active on both sides of the school reform debate it will also be useful to students who are researching education policy the economics of education or public policy

through a case study of the los angeles city school district from the 1950s through the 1970s judith kafka explores the intersection of race politics and the bureaucratic organization of schooling kafka argues that control over discipline became increasingly centralized in the second half of the twentieth century in response to pressures exerted by teachers parents

students principals and local politicians often at different historical moments and for different purposes kafka demonstrates that the racial inequities produced by today s school discipline policies were not inevitable nor are they immutable

the successes of america s public schools are unrivaled throughout the globe providing an opportunity for every american to graduate from high school graduation rates have soared test scores are better than at anytime and immigrants and african americans are reaching new successes the percentage of graduating high school students including minorities attending college is at an all time high despite all these successes the media politicians and big business attack public schools and their teachers with inaccuracies that threaten the equal opportunities provided by public education big business moguls seem determined to dismantle public schools in the name of a market driven system of educating children via vouchers and charter schools no child left behind contributes to this business model and penalizes children and teachers with unrealistic expectations and expensive unnecessary testing research indicates that nclb charter schools and vouchers do not improve students learning or help educators teach better the facts presented herein are evidence of public school successes and provide reasons to honor public school educators and support public schools across america

the unknown history of american public education at a time when americans are debating the future of public education johann n neem tells the inspiring story of how and why americans built a robust public school system in the decades between the revolution and the civil war it s a story in which ordinary people in towns across the country worked together to form districts and build schoolhouses and reformers sought to expand tax support and give every child a liberal education by the time of the civil war most northern states had made common schools free and many southern states were heading in the same direction americans made schooling a public good yet back then like today americans disagreed over the kind of education needed who should pay for it and how schools should be governed neem explores the history and meaning of these disagreements as americans debated teachers and students went about the daily work of teaching and learning neem

takes us into the classrooms of yore so that we may experience public schools from the perspective of the people whose daily lives were most affected by them ultimately neem concludes public schools encouraged a diverse people to see themselves as one nation by studying the origins of america s public schools neem urges us to focus on the defining features of democratic education promoting equality nurturing human beings preparing citizens and fostering civic solidarity

this book explores the intersection of issues related to religion and state in public schools in the united states framed through a study of the landmark 2022 supreme court case kennedy v bremerton school district where a high school football coach s post game prayers at midfield became the centerpiece of a major ruling on religious expression in public schools the book analyzes how this case represents a significant shift in the supreme court s interpretation of the establishment clause particularly under the roberts court which has increasingly favored religious freedom claims over strict separation of church and state through eleven chapters geier explores the historical context of religion in american public schools the rise and fall of the lemon test the influence of christian nationalism and provides a detailed analysis of both the majority opinion written by justice gorsuch and the dissent by justice sotomayor drawing from his experience as a public school administrator and legal researcher geier argues that this ruling signals a new era where individual religious rights are being prioritized over establishment clause concerns in public schools potentially leading to increased religious expression in educational settings

includes abstracts of magazine articles and book reviews
