the communists of east central europe came to power promising to bring about genuine equality paying special attention to achieving gender equality to build up industry and create prosperous societies and to use music art and literature to promote socialist ideals instead they never succeeded in filling more than a third of their legislatures with women and were unable to make significant headway against entrenched patriarchal views they considered it necessary with the sole exception of albania to rely heavily on credits to build up their economies eventually driving them into bankruptcy and the effort to instrumentalize the arts ran aground in most of the region already by 1956 and in yugoslavia by 1949 communism was all about planning control and politicization except for yugoslavia after 1949 the communists sought to plan and control not only politics and the economy but also the media and information religious organizations culture and the promotion of

women which they understood in the first place as involving putting women to work inspired by the groundbreaking work of robert k merton on functionalist theory this book shows how communist policies were repeatedly undermined by unintended consequences and outright dysfunctions

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

the author of this long and detailed account of the investigations into the haymarket case was a member of the police force and a colleague of inspector bonfield the police officer who led the police into the crowd at haymarket on may 4 1886 the book which was widely distributed at the time included many documents from the case descriptions of testimony at trial and many drawings of people and incidents the author michael schaack and inspector bonfield were subsequently dismissed from the chicago police after an investigation for corruption subsequent investigations of the trial uncovered perjured testimony by police witnesses and others and jury rigging by the prosecution

billed in early issues as a practical journal of industrial progress this monthly covers a broad range of topics in engineering manufacturing mechanics architecture building etc later issues say it is devoted to the advancement and diffusion of practical knowledge
