the purpose of this book is expressed in its title it is an essay an attempt to explore the ways in which the medieval outlook on the

world was changing and giving place to the fourteenth century to new conceptions that were ultimately to bring its supersession it is not a survey still less a textbook but rather a delineation of what seem to me to have been the areas of fundamental change it is therefore one individual's interpretation much though it owes to others

combines a wealth of facts with incisive analysis of the reasons for the rise and fall of the national party partly based on interviews with former senior np leaders and other material
