in this provocative work seasoned journalist gershom gorenberg portrays a deadly mix of religious extremism violence and mideast politics as expressed in the struggle for the sacred center of jerusalem known to jews and christians as the temple mount and to muslims as the noble sanctuary this thirty five acre enclosure at the southeast corner of jerusalem s old city is the most contested piece of real estate on earth here nationalism combines with fundamentalist faith in a volatile brew members of the world s three major monotheistic faiths judaism christianity and islam hold this spot to be the key to salvation as they await the end of the world and struggle to fulfill conflicting religious prophecies with dangerous political consequences adroitly portraying american radio evangelists of the end radical palestinian sheikhs and israeli

ex terrorists gorenberg explains why believers hope for the end and why prominent american fundamentalists provide hard line support for israel while looking forward to the apocalypse he makes sense of the messianic fervor that has driven some israeli settlers to oppose peace and he describes the islamic apocalyptic visions that cast israel s actions in jerusalem as diabolic plots the end of days shows how conflict over jerusalem and the fiery belief in apocalypse continue to have a potent impact on world politics and why a lasting peace in the middle east continues to prove elusive

the authors of this collection of essays propose that climate change means serious peril the approaches begin from archaeology literature religion psychology sociology philosophy of science engineering and sustainable development as well as straight history our argument however is not about the science per se it is about us our deep and more recent history and how we arrived at this calamitous impasse with contributions from academic activists and independent researchers history at the end of the world challenges advocates of business as usual to think again but in its wide ranging assessment of how we transcend the current crisis it also proposes that the human past could be our most powerful resource in the struggle for survival

in allegories of the end of capitalism milo sweedler deconstructs the events of films melancholia cosmopolis suffragette django unchained elysium and snowpiercer the socio political contexts they arise from and enter into and their impact on contemporary culture and life he examines how filmmakers from six different countries across four continents give narrative and audio visual form to the frustration and anger that burst into public view in 2011 the ongoing class war between the super rich and the rest of the world s population and the insurrection that it yet to come

ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood it speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way the heart of this book is an expositional commentary that interprets ecclesiastes as authoritative scripture it seeks to recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across preceding the expositional commentary is an introduction to ecclesiastes that presents a new approach to outlining and reading ecclesiastes as a coherent speech it also presents an overview of the forest the overall rhetorical flow of the speech from beginning to end this is to prevent one from getting lost when immersed in the trees of the expositional commentary following the expositional commentary are two topical studies to give ecclesiastes the breadth and depth of coverage it deserves the first is an interdisciplinary exposition on the meaning of life the second is an interpretive essay to defend exegetically the interpretation of ecclesiastes as a coherent speech

the labor market remains weak disinflation has slowed but falling wages are improving competitiveness the weak economic environment is putting pressure on the banking sector financial conditions have deteriorated recently because of international financial market tensions the bank of latvia has strengthened its liquidity management framework program implementation

remains broadly on track strengthening the ministry of finance s control over fiscal decisions is crucial the government needs to accelerate mortgage and land bank s restructuring and facilitate market based debt resolution program implementation to date has helped insulate latvia from the recent international financial market turmoil

the world of construction is intrinsically linked with that of finance from the procurement and tendering stage of projects right through to valuation of buildings in addition to this things like administrations liquidations mergers take overs buy outs and floatations affect construction firms as they do all other companies this book is a rare explanation of common construction management activities from a financial point of view while the practical side of the industry is illustrated here with case studies the authors also take the time to build up an understanding of balance sheets and p l accounts before explaining how common tasks like estimating or valuation work from this perspective readers of this book will not only learn how to carry out the tasks of a construction cost manager quantity surveyor or estimator they will also understand the financial logic behind them and the motivations that drive senior management this is an essential book for students of quantity surveying or construction management and all ambitious practitioners
