the jaw dropping confessions of the man who fulfilled the secret fantasies of hollywood's most glittering stars and royalty

in this wholly original work of film criticism david thomson celebrated author of the biographical dictionary of film probes the many ways in which sexuality has shaped the movies and the ways in which the movies have shaped sexuality exploring the tangled notions of masculinity femininity beauty and sex that characterize our cinematic imagination and drawing on examples that range from advertising to pornography bonnie and clyde to call me by your name thomson illuminates how film as art entertainment and business has historically been a polite cover for a kind of erotic séance in so doing he casts the art and the artists we love in a new light and reveals how film can both

expose the fault lines in conventional masculinity and point the way past it toward a more nuanced understanding of what it means to be a person with desires

friendships between women and gay men captivated the american media in the opening decade of the 21st century john portmann places this curious phenomenon in its historical context examining the changing social attitudes towards gay men in the postwar period and how their relationships with women have been portrayed in the media as women and gay men both struggled toward social equality in the late 20th century some women understood that defending gay men who were often accused of effeminacy was in their best interest joining forces carried both political and personal implications straight women used their influence with men to prevent bullying and combat homophobia beyond the bureaucratic fray women found themselves in transformed roles

with respect to gay men as their mothers sisters daughters caregivers spouses voters employers and best friends in the midst of social hostility to gay men during the aids crisis of the 1980s and 1990s a significant number of gay women volunteered to comfort the afflicted and fight reigning sexual values famous women such as elizabeth taylor and barbra streisand threw their support behind a detested minority while countless ordinary women did the same across america portmann celebrates not only women who made the headlines but also those who did not looking at the links between the women s liberation and gay rights movements and filled with concrete examples of personal and political relationships between straight women and gay men women and gay men in the postwar period is an engaging and accessible study which will be of interest to students and scholars of 20th and 21st century social and gender history

the higher education landscape has arguably become one of the most arduous to traverse more so in the african context where a host of variables continuously challenge educators to reflect critically on their philosophies and practices as they engage an ever changing audience in this book a critical engagement with theological education in africa is offered as the book originates from south africa it is presented as a south african perspective although contributors are situated accross the african continent and abroad the common denominator is that all contributers are in some way or another invested in theological education in africa the main contribution of this collaborative work is to be sought in the insights it offers on four main areas of theological education a historical and current orientation on theological edcuation in africa some paradigm shifts in theological education in africa ministerial formation needs versus theological education challenges and a critical reflection on elective models and methods the book presents the original and innovative research of scholars for fellow scholars involved in theological higher education as it is grounded in the respective fields of interest of each contributor it contributes to a better understanding of the complex african theological higher education landscape that is also mindful of post covid 19 realities methodologically the work draws on a combination of methods including literature studies empirical work and in some cases sectional offerings from doctoral studies as indicated in the various chapters
