a collection of twenty two confession and romantic short stories of modern relationships in the real world wives desperate housewives survival living large 2 and many more a sequel to i confess published december 18 2004

you said for better or worse but you never imagined it could get this bad how bad you come home from work to find your wife has left and she s taken every stick of furniture with her before leaving town your wife drained your bank account maxed out your credit cards and wrote a fistful of bad checks your wife wins custody of the kids and child support by falsely accusing you of molesting the children separation and divores are always emotionally devastating they can also be a financial disaster the law is stacked in favor of wives and you can bet the bitch will be looking out for number one you ve got to have a plan if you want to keep from doing something stupid something that s going to cost you for a long long time screw the bitch will show you how to protect yourself how to take charge and stay in control how to get through a divorce without losing your assets or your pride screw the bitch is a book that has been needed for quite some time it can save you loads of money and heartaches

now back in print for the first time since 1969 a stunning novel about childhood marriage

and divorce by one of the most interesting minds of the twentieth century dream and reality overlap in *divorcing a book* in which divorce is not just a question of a broken marriage but names a rift that runs right through the inner and outer worlds of sophie blind its brilliant but desperate protagonist can the rift be mended perhaps in the form of a novel one that goes back from present day new york to sophie s childhood in pre world war ii budapest that revisits the divorce between her freudian father and her fickle mother and finds a place for a host of further tensions and contradictions in her present life the question that haunts *divorcing* however is whether any novel can be fleet and bitter and true and light enough to gather up all the darkness of a given life susan taubes s startlingly original novel was published in 1969 but largely ignored at the time after the author s tragic early death it was forgotten its republication presents a chance to discover a splintered glancing caustic and lyrical work by a dazzlingly intense and inventive writer

although there has been much research attention paid to mothers and children fathers have been the unstudied parties in divorce in this comprehensive ethnographic study terry arendell gives voice to a group of divorced fathers on topics ranging from noncustodial parenting to relationships with their former spouses to fathers rights their masculinist discourse of divorce often focuses on their rights as fathers resistance to injustices perpetrated by the ex spouse and the legal system the inherent differences between women and men and the fractured nature of the postdivorce family using a feminist lens arendell is able to differentiate the strategies adopted by traditionalist divorced fathers from innovative ones and suggests policy recommendations informed by their masculinist discourse complementing her earlier work *mothers and divorce* this provocative volume offers a balanced and essential view for students and professionals in gender studies marriage and family sociology social work and communications

according to glenda riley the historical conflict between anti divorce and pro divorce factions has prevented the development of effective beneficial divorce laws procedures and policies today we still lack processes that move spouses out of unworkable marriages in a constructive fashion and get them back into the mainstream of life in a stable productive condition her pioneering historical overview offers proposals for dealing with a subject that now pertains to nearly half of all marriages

written in clear simple language for those going through a divorce or separation this fully revised edition includes topics on mourning and mending conflict resolution effects on children and divorce mediation new sections on coping with stress learning new ways to communicate with your partner and negotiating short term agreements are featured

from michael crichton the 1 bestselling author of *jurassic park* and *the andromeda strain* comes a devilishly clever breathless tale of a new world where nothing is what it seems and genetic ownership shatters our assumptions welcome to our genetic world fast furious and out of control this is not the world of the future it s the world right now is a loved one missing some body parts are blonds becoming extinct is everyone at your dinner table of the same species humans and chimpanzees differ in only four hundred genes is that why

a chimp fetus resembles a human being and should that worry us there s a new genetic cure for drug addiction is it worse than the disease we live in a time of momentous scientific leaps a time when it s possible to sell our eggs and sperm online for thousands of dollars and to test our spouses for genetic maladies we live in a time when one fifth of all our genes are owned by someone else and an unsuspecting person and his family can be pursued cross country because they happen to have certain valuable genes within their chromosomes the future is closer than you think
