armor your self tm is about saving the lives of the people who save lives this book is for all law enforcement professionals and other first responders police work is the most toxic job on the planet and if the members of the law enforcement community don t take measures to protect themselves this job will eat them up if law enforcement officers did a true threat assessment of their careers they would realize that the real dangers lie not with the bad guys but within the stresses of the job high rates of suicide depression alcoholism domestic violence ptsd heart attack and cancer are the real cop killers armor your self tm how to survive a career in law enforcement helps law enforcement professionals armor themselves physically mentally emotionally and spiritually this book is also for law enforcement family members to use to learn how to help your family survive this career as well in this book you will learn about blue trauma syndrome the 7 key factors of tactical resilience tm comprehensive survival skills to save your life and your health critical concepts for stress reduction how to armor your agency tm the concept of true blue valor tm this book is filled with practical exercises tactics and techniques to help you build your resilience intentionally many people who serve and who have served in law enforcement bear the scars of the cumulative stresses that accompany the career the law enforcement survival institute lesi and copsalive com work tirelessly to assemble strategies tactics and best practices to help anyone working in this profession successfully survive their career lesi and copsalive com work with agencies and families to create environments that support healthy happy and effective law enforcement professionals both on the job and at home

one of today s most pressing issues in criminology and crime prevention is the problem of crime in our cities and towns and its prevention the topic of crime prevention in the urban community was discussed at the 47th international

course of the international society for criminology isc held at chuo university tokyo it was the very first time such an isc meeting was held in asia and this meant that finally a relatively large number of japanese and other asian participants were able to express their views on criminal policy and crime prevention in urban centres all over the world crime in urban communities is not an exclusively western phenomenon but it is also a considerable problem in other parts of the world this makes an interchange of ideas between western eastern and third world criminologists particularly important general characteristics of the urban communities that suffer from a high crime rate are ethnic and racial tensions a mix of old housing areas and new business districts a prevailing sense of anonymity slums and juvenile delinquency the existence of these general characteristics besides mutual differences makes cooperation in the crime prevention sphere definitely worth the effort

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

style law enforcement officials

managing intelligence a guide for law enforcement professionals is designed to assist practitioners and agencies build an efficient system to gather and manage intelligence effectively and lawfully in line with the principles of intelligence led policing research for this book draws from discussions with hundreds of officers in different agencies roles and ranks from the uk united states australia new zealand and canada highlighting common misunderstandings in law enforcement about intelligence the book discusses the origins of these misunderstandings and puts intelligence in context with other policing models

a management model guaranteed to enhance efficiency and effectiveness of any organization using proven business principles

introduction to law enforcement and criminal justice third edition critically examines and evaluates law enforcement and the administration of justice in a post 9 11 multicultural society of the twenty first century the book represents a departure from other introductory texts it is not limited to the presentation of information rather its unique approach promotes a vision for law enforcement

and other justice system personnel that integrates essential critical thinking problem solving and communications skill development with the need to deploy ethical practitioners and peacekeepers who demonstrate leadership capabilities
