in this insightful book donald k mckim explores the basic tenets of presbyterian theology and doctrine from their beginnings to their meaning for the church today throughout mckim emphasizes the how presbyterian history can inform current and future challenges without prescribing solutions to contemporary challenges mckim s six brief chapters provide the foundation for broadening and strengthening a presbyterian faith the lives today each chapter ends with suggestions for further study

in our life time is both a thought provoker and a call to action urging all of humanity each

of us to be self aware caring and willing the book provide 100 ideas thoughts and observations about today s world with the hope that just one of these 100 ideas will spark a willingness for its readers to take action and make a real meaningful and measurable difference in their lifetime

the book of secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year each day s entry includes a focus point and that point is emphasized and supported by specific citations from the bible the author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through god s words each day is structured with a thought starter and at least one bible reference to support the idea that this thought starter is not unique but rather something that originates from god s words the format of this manuscript is engaging the daily entries give the reader a new thought to ponder each day the inclusion of a bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that god s words support this thought

in a day and age where society and culture are veering further away from the teachings of god s word in homes globally it is becoming more and more evident that there is a breakdown within the walls of family homes across this great land undoubtedly these times of confusion in the home schools and communities are escalating each passing day creating more division and disheartenment with all the spiritual threats robbing people s children of hope something within the walls of the home must change for the well being of these young ones today more than ever if parents and family leaders don t engage with their children and rein in these apparent issues they will continue to see a generation of people spiraling out of control this book god s generation of hope is going to reveal some heart wrenching and eye opening facts about how external forces are creeping inside the lives of families and creating a distance between the household and almighty god someone must take ownership immediately for the children s state of spiritual survival parents action is needed today to instill the living hope in the lives of the younger generation like never before

that the entire reform and renewal movement in contemporary catholicism is foredoomed is only one of the many controversial judgments in this highly controversial book it is however much more than merely a book about current catholic developments it is a book that confronts the issue of christianity s very survival as a religious force in the modern

world this is Charles Davis's most constructive and creative theological work to date. It critiques and demolishes only that it may redevelop and rebuild.

describes how to conquer suicidal thoughts, abandon unreal expectations about life, and find answers through God.
