the practice of viticulture from planting vines to drinking wine in israelite culture is the focus of walsh s investigation viticulture no less than drinking marked the social sphere of israelite practitioners and so its details were often enlisted to describe social relations in the hebrew bible these features of everyday life offer important clues for the reconstruction of israelite social history the literary constructions of the oral transmitters authors and redactors and for thematic and theological meanings attached to biblical representations of the vine and wine imagery

having been a teetotaler for more than thirty years the author s personal habits associations and sympathies have all been in favor of the unfermented theory but the facts encountered in the present investigation have constrained him reluctantly to conclude that so far as the wines of the ancients are concerned unfermented wine is a myth preface
