trinity was once a fragile girl being taken by a powerful vampire prince changed her discovering him in the arms of another woman changed destiny alone she s learned fast how to be tough how to survive and how to protect the people in her city from the evil that lurks in the dark she was managing just fine until basil walked back into her life basil hawthorn has been the reigning prince of vampires since banishing his father to the realm of dark mystics decades earlier when a prophetic dream makes him realize trinity s life is at risk he decides the only way to save her is to push her away doing so is not easy trinity is the only woman he has ever loved ever will love and he can t seem to let her go when rumors arise of a plan to raise the king and blot out the sun both trinity and basil know they must do everything to stop it even if it means working together despite the betrayal and the threat they find themselves drawn to each other love has no boundaries especially in the face of danger but will they be able to stop the ritual before it s too late or will the darkness seduce them both

it was mainly only the european urban centers that converted to christianity and often more for political or commercial interests than as a matter of faith the old religions persisted in the villages or pagani from which the term paganism arose the christians built their

sanctuaries upon the pagan sites expropriating their numinous past assimilating the symbolism of the former deities and commonly incorporating the actual architectural remnants the wisdom of those deposed gods and their rites persisted in less objectionable forms disguised to delude the censors as country festivals and quaint tales often about the fairy folk who coexisted with this world and could be accessed by magical procedures that perpetuated half remembered methods of authentic ancient shamanism such shamanism always involved pharmaceutical expertise mircea eliaade was mistaken in concluding that drugs were characteristic only of the late and decadent stages of a religion rock paintings of the greatest antiquity and his own abundant citations indicate that instead a pharmacological eucharist was the norm and eliaade was himself about to reverse his stance shortly before his death encoded in tales seemingly as simple as snow white with her poisoned red and white apple are themes traceable back to the great epics of homer and the mesopotamian gilgamesh these patterns of shamanic empowerment lurk also in the histories of the leading families of europe who could not completely divest themselves of the former religious basis for their right to rule but instead they embraced christianized and buried it in sanctified graves as was the case with the great fairy melusina whose eighth abominable son called horrible was murdered a number of churches involved in the albigensian heresy claim his body was laid to rest beneath them
