by examining jewish experiences between the american civil war and the african american civil rights revolution this book focuses on citizens who usually spent their daily lives in black and white peoplehoods some of the white ones commanding the nation's public square structured a segregated republic and capitalist economy that would experience wwii and the news about the holocaust that murdered millions of jews this political

economy sustained a hierarchy of privatized ethnic groups whose race and religion in their norms of ethnicking was used to deprive them of legal and equal collective standing this was america is a book about those privatized identities that the years of the civil rights revolution would bring into the republic s public square

building the nation draws from foreign policy reports and interviews with u s military officers to investigate recent u s led efforts to nation build in iraq and afghanistan heather selma gregg argues that efforts to nation build in both countries focused more on what should be called state building or how to establish a government rule of law security forces and a viable economy considerably less attention was paid to what might truly be called nation building the process of developing a sense of shared identity purpose and destiny among a population within a state s borders and popular support for the state and its government according to gregg efforts to stabilize states in the modern world require two key factors largely overlooked in iraq and afghanistan popular involvement in the process of rebuilding the state that gives the population ownership of the process and its results and efforts to foster and strengthen national unity gregg offers a hypothetical look at how the united states and its allies could have used a population centric approach to build viable states in iraq and afghanistan focusing on initiatives that would have given the population buy in and agency moving forward gregg proposes a six step program for state and nation building in the twenty first century stressing that these efforts are as much about how state building is done as they are about specific goals or programs
