p b learn scott kelby s 7 point system for developing photos to perfection in adobe lightroom b p p imagine how awesome it would be if you opened up an image in lightroom even a really messed up one and you knew exactly what to do first what to do next and every step along the way to take that image from flat to fabulous well that is precisely what this book is all about you re learning a system the same one taught in colleges and universities around the world that was crafted by world renowned lightroom expert scott kelby the world s 1 best selling lightroom book author p p this is a new way of working and thinking about editing your images that will change the way you work in lightroom forever so you ll spend less time fixing your photos and more time finishing them and doing the fun creative things that make lightroom the amazing tool that it is p p scott narrowed things down to just the seven major editing moves we need to master to enhance our images like a pro so we re not learning lightroom tools we re probably never going to need then and perhaps most importantly he determined exactly when and in which order to apply these seven techniques that make up this proven time tested lightroom 7 point system p p but the magic of this book isn t just listing the seven techniques and how they work it s how they re used together and it s the learning process you go through that makes this book so unique this isn t a read about it book this is a hands on you do it book you start each lesson with the raw photo right out of the camera you can download scott s images so you can follow right along then you re going to apply the 7 point system in a very specific way and you re going to do it over and over again and again and again on a range of various photos with different challenges and situations until these seven points are absolutely second nature to you you re going to do the full edit each time from beginning to end with nothing left out once you learn this system there won t be an image on your screen that you won t be able to enhance fix edit and finish like a pro p p as you move through the book you ll be amazed at how well this system works across such a wide range of photos from landscapes to portraits from architectural to sports photography from wedding photos to everything in between the book is 21 short lessons including two bonus lessons where you work with lightroom and photoshop together and if you spend just 10 minutes a day doing that day s lesson in three weeks there won t be a photo you won t be able to beat you ll know what to do first what to do next and in exactly which order to take a dull lifeless image and make it one you d proudly hang on your wall best of all you ll learn more than just the 7 point system along the way as you ll have to tackle whatever each image throws at you so you re going to discover extra techniques shortcuts and workarounds that will help you in every aspect of your editing p p this is the book you ve been waiting for the

industry has been waiting for and once you learn this system and start applying it yourself you ll be the next one to say you can t beat the system ρ

b ρ the simplest easiest and quickest ways to learn over 250 lightroom tips tricks and techniques b ρ ρ scott kelby the world s 1 best selling lightroom author is here with an entirely new concept in lightroom books one that s designed from the ground up to get you straight to whatever you need to do in lightroom right now get your answer fast and get you back to editing your images ρ ρ lightroom has become i the i photographer s tool because it just has so much power and so much depth but because it has so much power and depth sometimes the things you need are kinda hidden or not really obvious there will be a lot of times when you need to get something done in lightroom but you have no idea where adobe hid that feature or what the secret handshake is to do that thing you need to do right now so you can get back to working on your images that s why this book was created to get you to the technique the shortcut or exactly the right setting right now ρ ρ i how do i do that in lightroom 3rd edition i is a fully updated version of the best selling first and second editions and it covers all of lightroom s newest and best tools such as its powerful masking features here s how it works when you need to know how to do a particular thing you turn to the chapter where it would be found organizing importing print slideshow mobile etc find the thing you need to do each page covers just one single topic and scott tells you exactly how to do it just like he was sitting there beside you using the same casual style as if he were telling a friend that way you get back to editing your images fast ρ ρ this isn t a book of theory full of confusing jargon and detailed multi step concepts this is a book on which button to click which setting to use and exactly how and when to use it so you re never stuck in lightroom again this will be your go to book that sits within reach any time you re working in lightroom and you are going to love having this type of help right at your fingertips ρ br chapter 1 how to get your images into lightroom br chapter 2 how to organize your images br chapter 3 how to customize lightroom br chapter 4 how to edit your images br chapter 5 how to use masking br chapter 6 how to create special effects br chapter 7 how to save your images as jpegs tiffs etc br chapter 8 how to make photo books br chapter 9 how to make awesome slide shows br chapter 10 how to make beautiful prints br chapter 11 how to use lightroom on your phone or tablet br chapter 12 how to do all that other stuff br

since lightroom first launched 11 years ago scott kelby s the adobe photoshop lightroom book for digital

photographers has been the world s 1 top selling lightroom book it has been translated into dozens of different languages and in this latest version for lightroom classic cc scott did his biggest update ever sharing all his latest techniques insights and invaluable tips using his award winning step by step plain english style that makes learning lightroom easy and fun scott doesn t just show you which sliders do what every lightroom book does that right instead he shares his own personal settings his time tested techniques and his proven step by step method of learning lightroom so you can begin using it like a pro from the start each year he trains thousands of lightroom users at his live seminars and through his blog at lightroomkillertips com and he has learned first hand what really works and what doesn t he tells you flat out which techniques work best which ones to avoid and why you ll learn his now famous slim simplified lightroom image management system that will teach you step by step how to organize your images back them up and be able to find them quickly and easily scott s slim system is used by photographers all over the world and is taught at colleges and universities because it s so simple straightforward and it works how to make your images look like the pros and how to take advantage of the new raw camera creative and b w profiles you ll finally get the whole image editing thing and you ll know exactly what to do in what order and why how to use lightroom along with photoshop and how to make the two work together absolutely seamlessly you ll be surprised at what you ll be able to do even if you ve never used photoshop before there s a full chapter on how to use lightroom on your mobile device to expand lightroom s power the last chapter really sets this book apart because this is where scott answers his 1 most asked lightroom question which is exactly what order am i supposed to do things in you ll see his entire start to finish lightroom workflow and learn how to incorporate it into your own workflow you can also download most of the same images used in the book to follow right along with and you ll get a killer collection of custom lightroom develop and print presets to give you some of the most sought after looks and effects all with just one click this is the first and only book to bring the whole process together in such a clear concise and visual way there is no faster more straight to the point or more fun way to learn lightroom than with this ground and record breaking book

since lightroom first launched 15 years ago scott kelby s the adobe photoshop lightroom book for digital photographers has been the world s 1 top selling lightroom book it has been translated into dozens of different languages and in this latest version scott did his biggest update ever sharing all his newest techniques insights
