it all is the most popular off road vehicle of all time the look style and functionality of
the cj made it instantly popular and recognizable the world over in no doubt partly
due to its military presence in world war ii the jeep wrangler platform had the
difficult task of replacing the extremely popular cj platform outwardly similar in
appearance the yj tj and jk that followed all had significant design improvements as
can be expected when a platform has a life span of more than five decades the yj was
the first chrysler release after it purchased amc in the mid 1980s and it was aimed at
taming the original cj for more comfort and arguably a larger audience the tj that
followed next was an evolutionary update significant in that it featured a coil spring
suspension and the celebrated return of round headlights for a more traditional look
compared to the square lights of the yj in jeep tj 1997 2006 how to build modify
everything you need to know about how to modify your tj for off road use is covered
