one of the most powerful of the seth books this essential guide to conscious living clearly and powerfully articulates the furthest reaches of human potential and the concept that we all create our own reality according to our individual beliefs having withstood the test of time it is still considered one of the most dynamic and brilliant maps of inner reality available today the seth books present an alternate map of reality with a new diagram of the psyche useful to all explorers of consciousness deepak chopra seth was one of my first metaphysical teachers he remains a constant source of knowledge and inspiration in my life marianne williamson i would like to see the seth books as required reading

for anyone on their spiritual pathway the amazing in depth information in the seth books is as relevant today as it was in the early 70s when jane roberts first channeled this material louise hay

in the magical approach seth invites us to look at the world through another lens a magical one seth reveals the true magical nature of our deepest levels of being and explains how we have allowed ourselves to become inhibited by our own beliefs and conventional thinking the magical approach teaches us how to live our lives spontaneously creatively and according to our own natural rhythms it helps us to discover and tune into our natural instinctive behavior by applying the principles in this book readers will learn to trust their impulses and discover the highest expression of their creativity we are speaking about an approach to life a magical or natural approach to life that is man s version of the animal s natural instinctive behavior in the universe jane roberts speaking for seth

in this perennial bestseller seth challenges our assumptions about the nature of reality and shows us how we create our personal reality through our conscious beliefs about ourselves others and the world his message is clear we are not at the mercy of the subconscious or helpless before forces we cannot understand we are gods couched in creaturehood seth says we are given the ability to form our experience as our thoughts and feelings become actualized seth was one of my first metaphysical teachers he remains a constant source of knowledge and inspiration in my life marianne williamson i would like to see the seth books as required reading for anyone on their spiritual pathway the amazing in depth information in the seth books is as relevant today as it was in the early 70s when jane roberts first channeled this material louise hay

seth is the acclaimed non physical teacher whose collected works are the most dynamic brilliant and undistorted map of inner reality and human potential available today his articulation of the furthest reaches of human potential the eternal validity of the soul and the concept that we create our own reality according to our beliefs has been presented in books that have sold over 8 million copies and been translated into over a dozen languages seth s empowering voice clearly stands out as one of the major forces which led to the current new age philosophical movement this book chronicles seth s first contact with author and medium jane roberts it is a mixture of great seth excerpts selected by topic and further explained by jane topics covered include afterdeath between lives how to get rid of illness reincarnation why people are born into different circumstances god all that is dreams exercises to develop the inner senses and much more

from the bestselling author of seth speaks in september 1984 the voice that had spoken for one of the most profound and prolific metaphysical teachers of the 20th century fell silent seth the entity who described himself as an energy personality essence no longer focused in physical matter had spoken exclusively through jane roberts since 1963 during the long illness that led to her death jane

continued to channel seth from her hospital bed but this final work was left unfinished now in the way toward health jane s husband robert butts shares with us the intimate story of jane s final days and the exquisite teachings that seth gave during that time in an examination of the miracle of life in a human body seth speaks about why medicine and therapy often perpetuate illness how the practice of naming diseases can work against us the influence of religion in creating disease how children s health is influenced by parents beliefs humor as an effective factor in healing includes 8 page photo gallery do not think of the mind as a purely mental entity and of the body as a purely physical one instead think of both mind and body as continuing interweaving processes that are mental and physical at once your thoughts actually are quite as physical as your body is and your body is quite as nonphysical as it seems to you your thoughts are you are actually a vital force existing as a part of your environment and yet apart from your environment at the same time jane roberts speaking for seth in the way toward health

in 1963 jane roberts met a spiritual entity named seth he spoke through her and the lessons he taught proved timeless and crucial from 1968 to 1975 roberts held an esp class during which she channeled seth susan watkins was a member of that class the knowledge gained from seth helped watkins and her classmates face serious illness painful relationships financial hardship and natural catastrophe it also changed their lives in addition to being a well written highly entertaining historical account of the late jane roberts and her class conversations with seth reveals the profound insights discovered by class members insights into the origin of both the troubling and triumphant events in our lives and into the vast nature of human consciousness roberts seth material is consistently one of the top two most visited collections at the yale university archives the story that launched the new age movement

the words of seth the personality channeled through jane roberts show readers that they possess hidden powers within themselves that have the potential to transform their lives by learning to control their own experiences they can create a new fulfilling reality

inspired by jane roberts own experiences as the author of the immensely popular seth books these three novels now collected in one volume are one of the most imaginative tales ever written jane roberts beloved character oversoul seven an ageless student of the universe explores the entire framework of our existence as we follow seven s education our own beliefs about life death dreams time and space are challenged and stretched leaving us with a refreshing and provocative perspective on the true nature of reality in the education of oversoul seven seven explores the true nature of his being as he learns to communicate with four of his incarnations four all too human people whose lives are separated by centuries yet who also coexist in the further education of oversoul seven the adventure continues with seven facing new lessons as his human incarnations struggle with the problems of sanity free will and even godhood in the third saga of this exuberant adventure

oversoul seven and the museum of time seven is instructed to take up residence in a human body while also journeying to the museum of time in search of the codicils the codicils are eternal truths that bring about the greatest opportunities for vitality understanding and fulfillment the adventures of oversoul seven are at once an intriguing fantasy a mind altering exploration of our inner being and a vibrant celebration of life

in 1963 jane roberts met a spiritual entity named seth he spoke through her and the lessons he taught proved timeless and crucial roberts went on to write much about her channeling experiences with seth and her books have sold 2 5 million copies her seth material is consistently one of the top two most visited collections at the yale university archives from 1968 to 1975 roberts held an esp class in her home during which she channeled seth sue watkins was a member of that class the knowledge she gained from the seth sessions changed watkins s life in fact it changed the lives of all the class participants in volume ii of the seth series watkins shares the insights she discovered while participating in roberts s groundbreaking classes the personal social and political issues addressed in conversations with seth are as relevant today as ever and include health sexual identity wealth and poverty the military draft relationships dreams esp reincarnation and more seth expands on many of the topics raised in book 1 and also explores provocative new material the correlation between our beliefs dreams and daily experience the concept of probabilities counterparts and individual identity the very real difficulties of applying the you create your own reality concept to daily life also included is a fascinating discussion of christ and as in the first book seth addresses the personal ongoing issues that class members experienced over the years troubled marriages illness financial hardships and more

this is a guide book for the individual who has always shied away from all occult subjects such as religion magic astrology metaphysics spiritual anything and for the beginner into all of these subjects who wished to expedite his her learning with the latest up to date information it offers leads for the beginner interested in understanding the merger between science and the occult spiritual subjects and a reference of where to get started in the search for the ultimate truth this book also provides references of where to find up to date information based on scientific evidence of what is going on with our planet earth and what to expect in the coming years leading to december 21 2012 this book provides scientific and practical ways of understanding the universe tools to help you live life to its fullest and with excellent health

the seth books present an alternate map of reality with a new diagram of the psyche useful to all explorers of consciousness deepak chopra m d author of the seven spiritual laws of success from the bestselling author of seth speaks and the nature of personal reality in the first volume of dreams evolution and value fulfillment seth presented an in depth picture of the origin of all life from the inner dream world to the

vast display of material creation here in volume two seth continues his explanation of the physical world as an ongoing self creation a direct and intentional outgrowth of the wisdom of the life forms that inhabit it including humanity he expands upon his vision of a thoroughly animate universe where virtually every possibility not only exists but is constantly encouraged to achieve its highest potential in his typical awe inspiring manner seth sheds light on many controversial and complex subjects including the ways in which our religions have stifled the human spirit surprising insight into life s meaning and purpose the genetic basis of faith hope and charity the pursuit of pleasure as a fundamental human need how each species keeps millions of characteristics within its genetic bank for various contingencies dreams are mental work and play combined psychic and emotionally rich creative dramas they also involve you in the most productive of enterprises as you begin to play with versions of events that are being considered for physical actualization jane roberts speaking for seth

from the bestselling author of seth speaks speaking exclusively through jane roberts seth has repeatedly stressed the concept that we create our own reality according to our individual beliefs but how do our realities merge and combine to form mass reactions such as the overthrow of governments the birth of a new religion wars epidemics earthquakes and new periods of art architecture and technology in this pioneering work seth explores the connection between personal beliefs and world events he pinpoints the unconscious and often negative beliefs pervading science and religion medicine and mythology and offers thought provoking reflections on darwinism freudianism religions cults and medical beliefs with fascinating and inspiring implications seth asserts that the personal impulses we are often taught to see as dangerous chaotic or contradictory are instead crucial to the best interests of the species and the natural world for they lead us to live not only as loving caretakers but as partners with other species only people who trust their spontaneous impulses can be consciously wise enough to choose from a myriad of probable futures the most promising events jane roberts speaking for seth

now fully revised with an all new interior design this expanded edition of the everything dreams book provides even more explanation of the subconscious additional dream symbols and even greater depth of explanation about dreams themselves this second edition explains how to interpret nightmares and fantasies find meaning in symbols and images from eyes to birds to familiar people remember dreams

originally published in 1992 channeling is a comprehensive bibliography on the subject of channeling the book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with ufos and contemporary channeling groups the book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement it provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the

bibliography takes the most diverse and useful sources of the time this volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult

from the bestselling author of *seth speaks* and the nature of personal reality in september 1984 the voice that had spoken for one of the most profound and prolific metaphysical teachers of the 20th century fell silent seth the entity who described himself as an energy personality essence no longer focused in physical matter had spoken exclusively through jane roberts since 1963 during the long illness that led to her death jane continued to channel seth from her hospital bed but this final work was left unfinished now in the way toward health jane s husband robert butts shares with us the intimate story of jane s final days and the exquisite teachings that seth gave during that time in an examination of the miracle of life in a human body seth speaks about why medicine and therapy often perpetuate illness how the practice of naming diseases can work against us the influence of religion in creating disease how children s health is influenced by parents beliefs humor as an effective factor in healing includes 8 page photo gallery do not think of the mind as a purely mental entity and of the body as a purely physical one instead think of both mind and body as continuing interweaving processes that are mental and physical at once your thoughts actually are quite as physical as your body is and your body is quite as nonphysical as it seems to you your thoughts are you are actually a vital force existing as a part of your environment and yet apart from your environment at the same time jane roberts speaking for seth in the way toward health

poetry can give the readers a chance to make better choices in their lives *hidden fields* prepares them to examine their self religion and philosophy by the spirit of poetry charles ford wants to share his many life experiences with readers and invite them into his home by his every thought word and action so they may know him and discover something special and unique about themselves he wrote poems for people throughout history rather than to them poems offer for people even for readers who know little poetry all are unique alive or dead in *hidden fields* charles brings to readers his experiences and his individuations which he expresses wonderfully by his ever deepening imagination and understanding that he has about poetry these poems about self embodied metaphysics of his faith hope and love charles writes poems about religion and philosophy they are also in the vein of metaphysics these poems reveal his profound spiritual growth that he achieved in his life he experienced a religious conversion at three he shares this experience and many others with readers so they may know he writes poems from his heart by inspiration and love he has for god and man

this book is a thought provoking analysis for all of the spiritual seekers looking for answers it s for those who are open to all the possibilities of what could be it s about the mysteries and wonders of why we are here the author s studies and research into spirituality and religion

have led him to find common ground between them the premise of this book is based on his interpretation and understanding of the three main aspects of spirituality the body the soul and the link which connects them part one the body explains the basic understanding of how the physical body works in conjunction with thoughts emotions and the decision making process he believes the first steps to a healthy and balanced lifestyle is to listen to your intuition stop and take a breath before reacting and understanding the life force and how it can be utilized in your daily life part two the soul how understanding the different aspect of your soul which includes your inner self is the foundation for your spiritual path this will develop a spiritual awareness which in turn will give you the tools and opportunities to make decisions in your life with purpose part three the link by understanding and utilizing the many ways your body and soul communicate is the core to spiritual growth listening to your intuition being self aware living in the present moment and making conscious choices with loving intent is the path to health and balance throughout these chapters the author provides simple techniques and exercises that can be used in your daily life to help you connect and keep you on your spiritual quest the author will be donating 50 of his royalties to various charities that are in need

the continuum contemporaries series is designed as a source of ideas and inspiration for members of book clubs and literature students at school college and university it aims to give readers informative introductions to 30 of the most popular acclaimed and influential novels of recent years

the author uses the story of his life as a vehicle to tell what he has learned along the way about metaphysics it is not a scholarly treatise but the record of one person s attempt to understand what lies beyond the physical from another point of view the book can be seen as a comment on the gods of organized religion and a project to pose a metaphysical alternative
