the history of jews from the period of the second temple to the rise of islam from a history of the mishnaic law of appointed times part 1 this volume introduces the sources

of judaism in late antiquity to scholars in adjacent fields such as the study of the old and new testaments ancient history the ancient near east and the history of religion in two volumes leading american israeli and european specialists in the history literature theology and archaeology of judaism offer factual answers to the two questions that the study of any religion in ancient times must raise the first is what are the sources written and in material culture that inform us about that religion the second is how have we to understand those sources in reconstructing the history of various judaic systems in antiquity the chapters set forth in simple statements intelligible to non specialists the facts which the sources provide because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of judaism dealing with its historical relationship with nascent christianity in new testament times the work forms the starting point for the study of all the principal questions concerning judaism in late antiquity and sets forth the most current critical results of scholarship

owen was a renowned theologian in his day and this work is a piece of theological brilliance in the reformed and protestant tradition the death of christ had a wide range of implications on the fate of humanity and the cause of redemption that christ came to give to us all this work goes over all the arguments that have been set up against the reality of christ s death and owen brilliantly rebukes these arguments and settles it all

ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood it speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way the heart of this book is an expository commentary that interprets ecclesiastes as authoritative scripture it seeks to recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across preceding the expository commentary is an introduction to ecclesiastes that presents a new approach to outlining and reading ecclesiastes as a coherent speech it also presents an overview of the forest the overall rhetorical flow of the speech from beginning to end this is to prevent one from getting lost when immersed in the trees of the expository commentary following the expository commentary are two topical studies to give ecclesiastes the breadth and depth of coverage it deserves the first is an interdisciplinary exposition on the meaning of life the second is an interpretive essay to defend exegetically the interpretation of ecclesiastes as a coherent speech

in this classic study alan brudner investigates the basic structure of the common law of transactions for decades that structure has been the subject of intense debate between formalists who say that transactional law is a private law for interacting parties and functionalists who say that it is a public law serving the collective ends of society against both camps brudner proposes a synthesis of formalism and functionalism in which private law is modified by a common good without being subservient to it drawing on hegel s legal philosophy the author exhibits this synthesis in each of transactional law s main divisions property contract unjust enrichment and tort each is a whole composed of private law and public law parts that complement each other and the idea connecting the parts to each other is also latently present in each moreover brudner argues a single narrative thread connects the divisions of transactional law to each other not a row of disconnected fields transactional law is rather a story about

the realization in law of the agent's claim to be a dignified end master of its body its acquisitions and the shape of its life transactional law's divisions are stages in the progress toward that goal each generating a potential developed by the next thus contract law fulfils what is incompletely realized in property law negligence law what is germinal in contract law public insurance what is seminal in negligence law and transactional law as a whole what is underdeveloped in public insurance the end point is the limit of what a transactional law can contribute to a life sufficient for dignity reconfigured and expanded with a contribution by Jennifer Nadler the unity of the common law stands out among contemporary theories of private law in that it depicts private law as purposive without being instrumental and as autonomous without being empty formal
