anytime i have been to a family gathering or get together with friends much of the time becomes devoted to telling tales of days gone by these stories i listened to as a child and throughout my life those of my family and friends that arent here in person now are still here in the stories about them and people places and events that we all seem to never forget however ive noticed a flaw to the telling of our memories when those who can recall and tell the stories are about to pass away almost always so does all that they

remembered so i decided that as i myself love to tell the stories i am not going to let that happen to me so i have been writing short stories so my children and grandchildren will be able to always have them to read since i began writing i've gained interest from my cousins and old friends who also want to read them as time has moved forward the number of memories continues to grow and i write more memories to keep i hope that reading this compilation of short stories will give you some opportunity to recall life should have smiles and a laugh or two and i hope you find them within
