healing our planet healing ourselves is an ambitious collection of powerful ideas from some of the most advanced thinkers of our generation in a series of interwoven essays and interviews it explores the link between our individual wellness and the overall health of our ecosystems and planet showing that they are inextricably linked the thirty co authors make their points using wit experience science and penetrating observation the book is full of touching personal anecdotes moving case histories and fascinating scientific studies together they make an impassioned plea for seeing the health of all in our personal wellness and our personal health in the wellness of all

om hvordan man kan skabe et trygt samfund i den moderne verden i dag

healing our world is an important book it is one of the better explanations of the concept of ecology that can be applied not only to the natural world but to our communications environment as well i recommend the book enthusiastically neil postman ed d chair department of culture and communications at new york university and author of 17 books including amusing ourselves to death technopoly the disappearance of childhood and the end of education with revolutionary sensitivity jackie has put together an overview of the state of our lives and our planet with the rare quality of being rooted in daily experience chellis glendinning ph d from the introduction author of my name is chellis and i m in

recovery from western civilization off the map and others as we settle into the 21st century it is time to clean house and rid ourselves of many of the false assumptions upon which we have based our lives healing our world a journey from the darkness into the light explores how we have been lulled into complacency about the illnesses in our culture we have been taught to believe that we get sick because of the luck of the draw or because we have the flu rather than because of reckless consumption and the production of life threatening toxic substances upon closer examination it becomes clear that government environmental standards are designed to protect the free flow of commerce not our health healing our world provides a wonderful opportunity to examine our values and what we have placed value on it can be a joyous time of house cleaning and soul cleaning a time when we embrace nature s limits and see value in unexpected places each chapter will take you on a journey of eye opening revelations of the environmental and social injustices at work in our world the effects of the greed and self interest of political corporate and industrial leaders will shock you depress you infuriate you and maybe move you to action and profound personal examination but you won t have to go it alone you will also be presented with many ideas about how to get personally involved in healing these wounds in february of 1997 jackie was asked to write a story about multiple chemical sensitivity for the environment news service and the response to the piece was so great that they asked him to write a weekly column of opinion since that time he has written over 160 articles with over 1200 internet links healing our world s ten chapters take the reader on a journey into the maladies of our time and the results of our consumer based lifestyle the consequences of treating the earth as an endless resource store become painfully obvious but along the way pathways toward healing are presented that give the reader solid ideas about how to break the endless cycle of consumerism and start the journey toward considering all life on earth as sacred readers of jackie s weekly commentary will find familiar articles updated and revised with much new material each chapter is introduced with connecting thoughts and the conclusion brings it a

when we heal our self we do heal the world this book is for intelligent thoughtful and open minded people who want to take more effective control of their life and the influence they have in the world and who hunger for new and valuable perspectives

library committee timothy dwight richard henry stoddard arthur richmond marsh a b and others illustrated with nearly two hundred photogravures etchings colored plates and full page portraits of great authors clarence cook art editor
