the nordic countries are often imagined by the outside world to be a haven of sexual equality and exemplary gender relations this book presents a more nuanced picture to the english speaking world interrogating the constructions negotiations and t

thesis m a from the year 2004 in the subject american studies culture and applied geography grade sehr gut technical university of braunschweig 47 entries in the bibliography language english abstract we don t have a great war in our generation or a great depression but we do we have a great war of the spirit we have a great revolution against the culture the great depression is our lives we have a spiritual depression this is what the nameless narrator of chuck palahniuk s 1996 novel fight club says to define his generation the age group which has alternately been labeled as baby bust generation mtv generation invisible generation or generation x all of these

terms apply to the birth cohort of the years 1961 to 1981 since these young people are described by generational scholars as the most diverse generation in sociological history it is not surprising that there are difficulties in finding one common label to define this birth group the opening quote shows that the young people of this birth group seem to be in a spiritual crisis because they no longer have to fight in wars they do not have to fight for causes in short they do not have to struggle through extreme situations as most generations before them had to do instead they live in a world in which everything seems to be at the ready for them tons of shopping malls and supermarkets that contain anything one can possibly think of or wish for yet they experience a spiritual crisis as many members of older generations may now well ask how can a world of seemingly endless choices and resources be so disturbing as to throw a whole generation into crisis three novels that deal with the identity crisis of generation x are analysed generation x tales for an accelerated culture 1991 by douglas coupland american psycho 1991 by bret easton ellis and fight club 1996 by chuck palahniuk according to studies of generation x literature these three novels are typi

the sensational content of folk ballads makes them especially attractive to young adults in this fascinating study of folk ballads and their evolution you ll explore various renditions of such popular songs as frankie and johnny stagolee pretty polly and barbara allen as well as lesser known ballads e g lord thomas and fair annet twa sisters and king orfeo you ll learn about the origins of the stories how they have developed and changed over time traveled throughout countries and across oceans and ultimately evolved into literary forms such as poetry novels and graphic novels many of which are directed at young adults citing numerous critical interpretations and commentary this book offers great insight into this genre of popular folk literature after an introduction to the form and its place in history the author explores various types of ballads e g child ballads border ballads broadside ballads an examination of modern and contemporary re workings of ballads organized by themes comprises the heart of the book ballad types covered include tragic love stories murder ballads otherworld beings tricks and disguises and ballads from other cultures oral origins and history critical interpretations re workings and current recordings are included for each ballad along with a list of resources

includes entries for maps and atlases

the universe of possible worlds is constantly expanding and diversifying thanks to the incessant world constructing activity of human minds and hands literary fiction is probably the most active experimental laboratory of the world constructing enterprise from the author s preface the standard contrast between fiction and reality notes lubomr

dolezel obscures an array of problems that have beset philosophers and literary critics for centuries commentators usually admit that fiction conveys some kind of truth the truth of the story of faust for instance they acknowledge that fiction usually bears some kind of relation to reality for example the london of dickens but both the status of the truth and the nature of the relationship have baffled frustrated or repelled a long line of thinkers in heterocosmica lubomr dolezel offers nothing less than a complete theory of literary fiction based on the idea of possible worlds beginning with a discussion of the extant semantics and pragmatics of fictionality by leibniz russell frege searle auerbach and others he relates them to literature literary theory and narratology he also investigates theories of action intention and literary communication to develop a system of concepts that allows him to offer perceptive reinterpretations of a host of classical modern and postmodern fictional narratives from defoe through dickens dostoevsky huysmans bely and kafka to hemingway kundera rhys plenzdorf and coetzee by careful attention to philosophical inquiry into possible worlds especially saul kripke s and jaakko hintikka s and through long familiarity with literary theory dolezel brings us anunprecedented examination of the notion of fictional worlds this remarkable book sums up the life s work of one of the most serious original and balanced literary thinkers in north america focusing on the fictional universes projected by literary texts and the discursive means of achieving fictional effects lubomr dolezel s heterocosmica provides a general theory of literary meaning the result is a highly distinguished contribution to the field of literary theory thomas pavel princeton university
