william l kurtz delivers a comprehensive thought provoking book about the various theories surrounding the jfk assassination favoring the conspiracy theory himself

a study of the political career especially the presidency of john f kennedy includes reprints of and excerpts from articles in the new york times

an account of the life and times of john f kennedy stressing his political career and including chapters on image making and the verdict of history

this is one of the most important books on the kennedy assassination ever written¹ ⁴ readers will not only understand the simplicity of the jfk assassination but also the proper way of investigating it dr ken rahn professor of atmospheric chemistry emeritus university of rhode island this is an excellent book that i recommend without any hesitation it is the only book to address the firearms and ballistic aspects of the jfk assassination in a logical knowledgeable and scientific manner it dispels the myths and falsehoods that have either grown up or been generated about the weapon and the wounds anyone interested in the kennedy assassination must have a copy of this book dr vincent dimaio nationally recognized jfk expert and medical examiner of bexar county texas a breakthrough work¹ ⁴ the written record on this subject is begging for more authoritative work like this the manner in which sturdivan presents this new information is extremely effective besides having a wealth of scientific knowledge he is truly a skillful writer john canal author of silencing the lone assassin the collision between the advocacy method and the scientific method of solving cases is a key factor in understanding our times larry sturdivan shows how it played out in promoting doubts about one of the most notorious 20th century crimes william k hartmann planetary science institute tucson and fellow american association for the advancement of science

warren commission hearings

the presidency of john f kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of camelot s fallen king now readers can gain a new appreciation of jfk in this thoroughly revised and updated edition of james giglio s bestselling study widely acclaimed as the best and most balanced book on jfk s white house years giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and white house medical records that contradict the image of kennedy s youth and vigor he stresses the extent to which domestic and foreign policies were interconnected at a time when the cold war dominated national life and reveals his new appreciation for jfk s prudence in his handling of such enormous challenges as the cuban missile crisis and the emerging war in vietnam giglio shows kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents he reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from marilyn monroe and socialite florence pritchett to low level white house employees and even virtual strangers surveying this field of conquest giglio suggests that jfk s sexual obsession could easily have affected his presidency even more during a second term his work also amplifies coverage of key issues like civil rights the cuban missile crisis and vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on kennedy s watch featuring an expanded bibliographical essay and twenty two photos from the jfk library the presidency of john f kennedy remains the definitive appraisal of camelot s kingdom

john f kennedy began his political communication in the neighborhoods of the eleventh congressional district of massachusetts using informal more than formal speaking as he learned to speak and began his career as a political leader for 18 years he practiced the art of communication that is so intrinsic to the art of politics speeches small group deliberation stump speaking in campaigns radio and television press conferences debates and interviews silvestri describes the political and social contexts that shaped kennedy s earliest efforts as a communicator and politician until his death in 1963 his first campaign became the blueprint for his future political contests his warnings as congressman and senator about vietnam and algeria proved prophetic kennedy s greatest communication tests involved his persuasion of the public that a roman catholic had the right to run for president his memorable inaugural address to a world deadlocked in nuclear stockpiling his deliberation in the cuban missile crisis his eloquent reasoning for peaceful measures and conciliatory attitudes through his address at american university his advocacy of civil rights and his televised presidency historical firsts for a charismatic american leader of the nuclear half of the 20th century scholars students and other researchers as well as lay readers will find this study of jkf political communication and recent american history fascinating and instructive

this probing candid inside assessment of john f kennedy by members of his staff and cabinet political cronies critics and opponents is filled with revelations anecdotes and insider perspectives on jfk s effectiveness strengths and weaknesses during his time as president

spanning five decades from the manhattan project to chernobyl here is a far reaching look at how the atom shaped american life in the nuclear era ranging across popular culture scientific thought military strategy and political history winkler takes a fascinating look at the irony anxiety and official insanity of the atomic age
