excerpt from the golden touch told to the children this king midas was fonder of gold than of anything else in the world he valued his royal crown chiefly because it was composed of that precious metal if he loved anything better or half so well it was the one little maiden who played so merrily around her father s footstool but the more midas loved his daughter the more did he desire and seek for wealth about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

an all time famous classic story book for kids beautiful illustrations and easy to read text is ideal for young early learners

this book focuses on theoretical thermotics the theory of transformation thermotics and its extended theories for the active control of macroscopic

thermal phenomena of artificial systems which is in sharp contrast to classical thermodynamics comprising the four thermodynamic laws for the passive description of macroscopic thermal phenomena of natural systems the book covers the basic concepts and mathematical methods which are necessary to understand thermal problems extensively investigated in physics but also in other disciplines of engineering and materials the analyses rely on models solved by analytical techniques accompanied with computer simulations and laboratory experiments this book serves both as a reference work for senior researchers and a study text for zero beginners

fast lane is a brand new reading intervention series developed for 8 to 14 year old struggling readers it provides them with a variety of engaging wonderfully illustrated stories and non fiction texts which will appeal to even the most reluctant child reader the series provides a complete programme for junior reading intervention and each book comes with a mini audio disk for supporting and reinforcing children s fluency in reading

in this retelling of the greek myth king midas loves gold more than anything else in the whole world or at least he thinks he loves gold the most

in this modern retelling of the ancient greek myth kunal kapoor breathes new life into the story of king midas the man whose wish to turn everything he touched into gold became both his gift and his curse through poetic storytelling and philosophical insight this book explores the timeless struggle between desire and contentment greed and gratitude illusion and truth each chapter peels away a layer of the myth revealing how midas s story mirrors our own modern pursuit of wealth success and validation from the hunger for more to the rediscovery of enough the myth of king midas and his golden touch is both a reflection and a guide a reminder that the richest gold lies not in possession but in perception this is not just a myth retold it s a mirror held up to the modern soul themes the psychology of greed and fulfillment modern parallels to ancient wisdom transformation gratitude and spiritual balance the rediscovery of meaning in a material world

a book of myths by jean lang is a captivating collection of mythological stories that delve into the rich tapestry of ancient legends from various cultures the book opens with the tale of prometheus and pandora exploring themes of creation defiance and the consequences of divine gifts prometheus a titan defies the gods by giving fire to humanity leading to his eternal punishment pandora created by the gods as a response inadvertently releases evils into the world leaving only hope behind the narrative continues with the story of pygmalion a sculptor who falls in love with a statue he created which is brought to life by the goddess aphrodite the tragic tale of phaeton follows where the young son of apollo recklessly drives the sun chariot causing chaos and ultimately his own demise the book also includes the story of endymion a shepherd loved by the moon goddess diana who grants him eternal sleep to preserve his beauty orpheus the legendary musician attempts to retrieve his beloved eurydice from the underworld only to lose her again due to a moment of doubt these myths rich in symbolism and moral lessons reflect the human condition and the timeless struggle between fate and free will lang s retelling captures the essence of these ancient stories making them accessible and engaging for modern readers
