just as the journalist was so transfixed by the words of the enigmatic vampire penned by Anne Rice so readers have been fascinated by her works born into the vibrant mystical and deeply historical culture of New Orleans and raised in the Roman Catholic Church Rice has been producing bestsellers since 1976 long before Angel and Spike Edward Cullen or Bill Compton Rice's vampires brought a unique take on the idea of undead bloodsuckers with complex human emotions her writing has never shied away from exploring dark places in the human or non human psyche her lush and luxurious way with words brings her characters to life while also reveling in the ornate beauty of the written word Rice has also proven that she is capable of writing about more than vampires with dozens of novels under her belt although she has influenced the gothic subculture Rice appeals to a broad range of readers with fans from all walks of life her evocative and descriptive prose draws the reader in weaving a spell as deftly as her supernatural characters

the figure of the vampire has been around for centuries and has lost none of its fascination although the portrayal of the vampire in literature today has not much in common with its historical origins the vampire belief is based on true events Bram Stoker's novel *Dracula* laid the foundation for the success story of the vampire he created something sinister a monster in the shape of a gentleman the evil of the Victorian society was personified in the form of the revenant boundaries between good and evil human and non human death and life are blurred and unrecognizable in his book in contrast Anne Rice creates a world where humans and vampires live next to each other her vampires resemble human beings not only in terms of their bodies but also in terms of their minds there is no horror detectable but amazement and identification with the revenants by the reader in this context the differentiation of the constructed images of the vampires in the two novels *Dracula* by Bram Stoker and *Interview with the Vampire* by Anne Rice is analyzed thereby the study investigates those elements that have been adopted those ones that have developed over the time and the consequences that go along with the manner of construction

from the vampires Lestat and Louis to a sexually liberated *Sleeping Beauty* novelist Anne Rice has created a host of characters who are notable for their paradoxical combinations of the deviant and the conventional exit to Eden for example ends with the sado masochistic protagonists embarking on a traditional monogamous heterosexual relationship while the vampires often long to exchange their erotic immortality for ordinary mortal lives and loves this scholarly analysis of the seemingly incompatible elements of the subversive and the socially acceptable in Rice's early work covers her career from the landmark

interview with the vampire 1976 to Lasher 1993 each chapter tackles a different aspect of Rice's conflicting portrayals of sexual issues including homophobia pedophilia castration anxiety and the vast array of gender stereotypes and roles that her novels so often interpret and exploit this study is appropriate both for readers of Rice's writing and those intrigued by issues of sexual politics and the ways in which a popular author both embraces and repudiates some of the most shocking concepts of sexuality an index and bibliography are included to aid research

Federal Agent Mark Francois of the New Orleans branch of the Department of Immigration and Customs Enforcement knows when it comes to smuggling there can be no comparison the best of them all must be the Pontchartrain connection from time immortal the city of New Orleans is the smuggler's nirvana for Mark to be tasked with stopping any shipment of contraband illegally imported into the United States from the many ports lining the riverbanks along the Crescent City is an impossible assignment but for a proud retired military officer and free mason like Mark the insurmountable challenge of taming both the Father of Waters and the Big Easy is an obstacle he shall overcome
