what no one tells you about growing a martial art school when i started my first martial art school nearly twenty five years ago all i knew about growing a dojo was that i needed more students so i set about getting more students every way i knew how and i kept adding more ways to do that as i went along what i discovered over the course of my first few years in business was that getting

students wasn't all that difficult it was keeping them and managing growth that was the real challenge i've already covered how to start a dojo and get students in other books and resources but in this book i reveal specific concepts and strategies for growing your dojo these are concepts that most martial art school owners and instructors never hear about when you read this book you'll discover how to develop an overarching growth strategy so you can grow your dojo in the most efficient manner possible what's the best business model for a martial art school in this guide you'll find out about the most profitable martial art school business models so you can choose the best one for your personal business goals understanding market segments find out exactly who to target and how to target them so you get more students through your front door what are the most profitable markets to go after should you go after kids adults the fitness market the self defense market the after school and summer camp market or something else you'll find the answers to these questions and more in the first section of this book what are the pros and cons of each market are there advantages and disadvantages to pursuing specific markets you'll get the answers to those questions so you know what you're getting into when pursuing a specific market how do you stand out in a crowded marketplace you'll find out how in the section on brand and image for martial art school owners how do you keep students coming to class what makes students drop out how can you prevent students from quitting find out in the section on keeping students how do you handle rapid growth in a martial art school where do you put all those students should you get more space when your classes are full and how do you teach larger classes you'll get the answers to those questions in the section on efficient scheduling and curriculum design as you can see this book covers quite a lot of information i wrote this book to answer questions that most school owners only find answers to by trial and error typically when it's too late and the damage has already been done yet in fifteen years of coaching school owners these are questions that have come up over and over again they're also the same challenges i had to deal with in starting and growing three successful martial art schools in three very different markets that served three very distinct clienteles i wrote this martial arts business manual to give martial art school owners answers to the difficult questions facing them when growing a martial art school once you read this guide you'll have a knowledge and understanding of advanced principles you'll know how to sidestep common hurdles and pitfalls in growing a school find out how to leap ahead of your competition and grow the dojo you've always wanted grab your copy today and discover how to grow your dojo

finally a systematic approach to training staff for your dojo in martial arts school staff and leadership team training martial arts business author mike massie reveals how martial art school owners can quickly and easily hire and train staff and leadership teams to help them grow their dojos based on mr massie's years of starting and running successful martial art schools this completely revised and updated edition of his staff and leadership team training manual contains everything you need to hire and train office and teaching staff finally you'll understand how to select the right team members how to train them properly how to compensate them fairly and how to utilize your staff efficiently to free up your time so you can focus on growing your school if you're an honest martial arts school owner who wants to know how to attract and keep the best staff members for your school this guide will be an invaluable addition to your martial arts business library get your copy today and find out how to hire and train staff the small dojo big profits way
