this book on social and cultural anthropology combines an account of the discipline's guiding principles and methodology with examples of anthropologists at work the book ends with an assessment of its position and a look forward to its future

anthropologists have invariably engaged in their discipline as a form of redemption whether to escape from social restriction nourish their souls reform their home polities or vindicate the natives redeeming anthropology explores how in pursuit of a secular science sired by the enlightenment adherents to a faith in mankind have vacillated between rejecting and embracing theology albeit in concealed and contradictory ways mining the biographical registers of the american british and french anthropological traditions khaled furani argues that despite all efforts to the contrary theological sediments remain in this disciplining discipline rather than continuing to forget deny and sequester it theology can serve as a mirror for introspection as a source of critique offering invaluable tools for revitalization for thinking anew not only anthropology s study of others cultures but also its very own reason

while the importance of the relationship between anthropology and contemporary art has long been recognized the discussion has tended to be among scholars from north america europe and australia until now scholarship and experiences from other regions have been largely absent from mainstream debate alternative art and anthropology global encounters rectifies this by offering a ground breaking new approach to the subject entirely dedicated to perspectives from asia latin america and africa the book advances our understanding of the connections between anthropology and contemporary art on a global scale across ten chapters a range of anthropologists artists and curators from countries such as china japan indonesia bhutan nigeria chile ecuador and the philippines discuss encounters between anthropology and contemporary art from their points of view presenting readers with new vantage points and perspectives arnd schneider a leading scholar in the field draws together the various threads to provide readers with a clear conceptual and theoretical narrative the first to map the relationship between anthropology and contemporary art from a global perspective this is a key text for students and academics in areas such as anthropology visual anthropology anthropology of art art history and curatorial studies

this comprehensive anthology offers over 40 readings that are critical to the understanding of anthropological theory and the development of anthropology as an academic discipline the fourth edition maintains a strong focus on the four field roots of the discipline in north america but has been reorganized with a new section on twenty first century theory including coverage of postcolonial and public anthropology new key terms and introductions accompany each reading and a revamped glossary makes the book more student friendly used on its own or together with the overview text a history of anthropological theory fourth edition this anthology offers a flexible and unrivaled introduction to anthropological theory that reflects not only the history but also the changing nature of the discipline today for additional resources visit the teaching theory page at utpteachingculture.com

spanning europe asia and the pacific encounters with emotions investigates experiences of face to face transcultural encounters from the seventeenth century to the present and the emotional dynamics that helped to shape them each of the case studies collected here investigates fascinating historiographical questions that arise from the study of emotion from the strategies people have used to interpret and understand each other s emotions to the roles that emotions have played in obstructing communication across cultural divides

together they explore the cultural aspects of nature as well as the bodily dimensions of nurture and trace the historical trajectories that shape our understandings of current cultural boundaries and effects of globalization

the fifth edition of this bestselling reader builds a strong foundation in both classical and contemporary theory with a sharpened focus on gender and anthropology and the anthropology of new media and technology short introductions and key terms accompany every reading and light annotations have been added to aid students in reading original articles used on its own or together with a history of anthropological theory fifth edition this anthology offers a flexible and unrivalled introduction to anthropological theory that reflects not only the history but also the changing nature of the discipline today

includes articles on issues of worldwide anthropological interest

creative lives and works adrian c mayer m n srinivas andré b  teille and johnathan parry is a collection of interviews conducted by one of england s leading social anthropologists and historians professor alan macfarlane filmed over a period of 40 years the four conversations in this volume are part of a larger set of interviews that cut across various disciplines from the social sciences the sciences to the performing and visual arts the current volume on four of the world s foremost social anthropologists and sociologists who have been closely associated with the british anthropological tradition is the third in the series of several such books these conversations focus primarily on fieldwork experience in india and how new dimensions and interpretations were added to the discipline of sociology and social anthropology as more and more primitive cultures and ancient civilizations were studied this book brings out the diversity of the indian subcontinent and its people through its engaging conversations and occasional anecdotes immensely riveting as conversations this collection gives one a flavour of the many different cultures that coexist in a vast country like india often with no knowledge of each other s existence while de jargonizing complex sociological concepts the book will be of enormous value not just to those interested in the subject of sociology social anthropology and ethnography but also those with an avid interest in history culture studies as well as those with an interest in learning about other societies please note this title is co published with social science press new delhi taylor francis does not sell or distribute the hardback in india pakistan nepal bhutan bangladesh and sri lanka
