empower your students to become part of the solution with a clear and upbeat voice
author anna leon guerrero s thought provoking overview of social problems challenges
readers to understand and recognize social problems in their communities and inspires
them to become part of the solution the fifth edition of social problems community
policy and social action goes beyond the typical presentation of contemporary social
problems and their consequences by emphasizing the importance and effectiveness of
community involvement to achieve real solutions with an overarching focus on social
inequalities and policy this proven text provides a platform for discussion that
encourages critical thinking and inspires hope the extra emphasis on social action and
movements is a real strength i like that the three major perspectives are used in each
chapter as i feel many texts just put that in the first chapter and then forget about it
