reclaiming class offers essays written by women who changed their lives through the pathway of higher education collected they offer a powerful testimony of the importance of higher learning as well as a critique of the programs designed to alleviate poverty and educational disparity the contributors explore the ideologies of

welfare and american meritocracy that promise hope and autonomy on the one hand while also perpetuating economic obstacles and indebtedness on the other divided into the three sections reclaiming class assesses the psychological familial and economic intersections of poverty and the educational process in the first section women who left poverty through higher education recall their negotiating the paths of college life to show how their experiences reveal the hidden paradoxes of education section two presents first person narratives of students whose lives are shaped by their roles as poor mothers guardian siblings and daughters as well as the ways that race interacts with their poverty chapters exploring financial aid and welfare policy battery and abuse and the social constructions of the poor woman finish the book offering a comprehensive picture of how poor women access all levels of private and public institutions to achieve against great odds reclaiming class shows the workings of higher learning from the vantage point of those most subject to the vicissitudes of policy and reform agendas

the writer s handbook for sociology gives students the tools that they need to develop evidence based writing skills and format academic papers in american psychological association apa and american sociological association asa style this book helps learners develop a reader friendly writing style incorporating active voice parallel structure and conciseness in addition grammar and mechanics are presented in a systematic way to facilitate learning helping students fill learning gaps

buku ini adalah akumulasi kekesalan dan pengalaman penulis sebagai pengajar matakuliah pengantar sosiologi salah satu tantangan utama adalah bagaimana menjelaskan jalinan konsep dan teori dalam sosiologi dengan cara yang paling sederhana jika saya mengatakan interaksi sosial semua orang melakukan itu tanpa disadari namun memahami interaksi sosial secara teoritik adalah hal yang amat berbeda sama halnya dengan berbagai konsep lain misalnya stratifikasi sosial konflik sosial dan lain sebagainya belajar dari pengalaman bahwa mahasiswa yang saya temui mengalami kesulitan mendasar untuk melihat keterkaitan antarteori yang boleh jadi disebabkan karena dua hal pertama boleh jadi karena mahasiswa yang saya temui bukan dari major sosiologi kedua boleh jadi karena sebagai generasi z

mahasiswa ini cenderung untuk selalu kembali ke dunia maya untuk mencari jawaban jika saya bertanya tentang konsep interaksi sosial maka mereka hanya menjelaskan bahwa interaksi adalah hubungan antar individu mereka tidak melihat atau tidak merasa perlu melihat bagaimana interaksi berkaitan dengan pelapisan sosial dengan gejala bahasa dengan relasi kekuasaan maka tidak heran jika mereka memahami konsep sepotong sepotong tanpa melihat keterkaitan antar konsep menjawab kedua tantangan tersebut maka saya memilih untuk menjadikan buku ini bukan sebagai buku pegangan melainkan pintu masuk untuk masuk ke dalam belantara konsep dan teori dalam sosiologi keputusan saya untuk menjelaskan berbagai konsep dan teori dalam satu payung besar yang kemudian ditarik ke dalam pecahan dan kerangka yang lebih kecil adalah cara saya untuk menjelaskan bagaimana keterkaitan antara satu konsep dengan konsep lainnya

an international quarterly devoted to the physiological psychological psychiatric sociological and educational aspects of the second decade of human life

counter to popular perceptions contemporary american sociology is and promotes a profoundly sacred project at heart sociology today is in fact animated by sacred impulses driven by sacred commitments and serves a sacred project sociology appears on the surface to be a secular scientific enterprise its founding fathers were mostly atheists its basic operating premises are secular and naturalistic sociologists today are disproportionately not religious compared to all americans and often irreligious the sacred project of american sociology shows counter intuitively that the secular enterprise that everyday sociology appears to be pursuing is actually not what is really going on at sociology s deepest level christian smith conducts a self reflexive tables turning cultural and institutional sociology of the profession of american sociology itself showing that this allegedly secular discipline ironically expresses emile durkheim s inescapable sacred exemplifies its own versions of marxist false consciousness and generates a spirited reaction against max weber s melancholically observed disenchantment of the world american sociology does not escape the analytical net that it casts over the rest of the ordinary world sociology itself is a part of that very human very social often very sacred and spiritual world

and sociology's ironic misrecognition of its own sacred project leads to a variety of arguably self-destructive and distorting tendencies this book reasserts a vision for what sociology is most important for in contrast with its current commitments and calls sociologists back to a more honest fair and healthy vision of its purpose

this book contains chapters updating key clinical information related to a variety of settings including three new chapters on the treatment of children and adolescents this concise volume begins with normal child and adolescent development and various psychiatric assessment tools continues by covering a broad spectrum of disorders that affect infants children adolescents adults and seniors and concludes with various treatment methods a condensed and efficient companion to the fourth edition of the American Psychiatric Publishing textbook of clinical psychiatry this book provides essential updates to the clinical material in a size amenable to reading and referencing

although Moskos showed the way to this particular field of military sociology Dr. George Kaffes, sociologist and teacher for over thirty years in the Hellenic Army Academy, felt the necessity of a first introductory but academic work in order to offer the dictionary of military sociology terms from the small Greek island of Kastellorizo where he finished this work. Dr. Kaffes' goal is to give the opportunity by gathering all these terms including military sociologists and researchers some significant military leaders a small but significant slang vocabulary and some operational terms to every sociologist whose interest is about military and society to have this very special tool in hands. Another goal of dictionary of military sociology is to show some terms of military slang which is a colloquial language used by and associated with members of various military forces. About the author Dr. George Kaffes is a military sociologist and has taught military sociology as a fulltime professor at the Hellenic Army Academy for more than thirty years. He focuses his research more on sociology of violence and war sociology of terrorism gender in the militaries and army sociology. He is married with one daughter and he speaks more than his mother language which includes Greek French Portuguese English and German. His book is destined to all researchers militaries cadets and everyone who is interested in the

field of military sociology
