this special issue addresses the construction of ethnic identity among international transracial adoptees which typically involve the placement of black asian hispanic or multiracial children with white parents international transracial adoptees similar to immigrants navigate a cultural and ethnic context other than their birth culture however they are unique in that they navigate these experiences within families who don t share their cultural ethnic and racial background critical questions emerge about the construction and development of their ethnic identity these questions include the role that transracial adoptive parents play in providing cultural socialization exposure to children s birth culture the impact of culture camps designed to provide cultural socialization in the context of peers the intersection of adoptive identity and ethnic identity and youth adjustment whether relations between ethnic identity and adjustment are linear or curvilinear the role of bicultural identity integration as a link between ethnic identity and pscyhosocial adjustment and ethnic identity processes among internationally transracially adopted young adults who mentor younger adoptees from similar cultures these questions are addressed in this special issue in a collection of studies that examine ethnic identity among diverse international transracial adoptees at different ages adopted into two countries and using differing sample sizes and methodologies international transracial adoptive families represent a microcosm of the growing international transracial and transethnic social transactions taking place in this diverse world the collective findings in this special issue about the multidimensionality of ethnic identity and its intersectionality with other identities across developmental eras not only enhance knowledge about identity development among international transracial adoptees but also expand understanding about identity development in general this is the 150th volume in this jossey bass series new directions for child and adolescent development its mission is to provide scientific and scholarly presentations on cutting edge issues and concepts in this subject area each volume focuses on a specific new direction or research topic and is edited by experts from that field

there are a number of important landmark cases in the development of family law in england and wales that deserve detailed examination and lend themselves particularly well to historical examination family law cases tend to raise highly controversial issues often on striking facts frequently provoking wider social debate and or extensive publicity consequently the landmark cases chosen for this collection provide considerable scope not only for doctrinal analysis and explanation of the importance and impact of the decisions but also for in depth examination of the social or policy developments that influenced them the stories behind the cases provide a fascinating insight into the complexities of family life and the drama that can be found in the

family courts in recent years family law has seen enormous changes in law s engagement with the notion of family with the enactment for example of the civil partnership act 2004 the gender recognition act 2004 and more recently the human fertilisation and embryology act 2008 as we begin to move forward into the new millennium this is an excellent time to engage in detailed analyses and stock taking of the landmark decisions many of which were decided in the 1970s and which have shaped modern family law this book provides a series of in depth studies of the key leading cases and will be of interest to students and lecturers alike

describes the processes of daily living and interaction common to all families within the context of modern systems theory and reveals the means by which behavior of individual members is regulated

ferdinandus van sycklin ca 1635 ca 1712 emigrated from holland netherlands to kings county long island new york in 1652 he married eva antonis jansen about 1660 and settled as pioneers on long island descendants chiefly spelling surname van sicklen or or van sickle and relatives lived in new york new jersey ohio indiana wisconsin minnesota and elsewhere

a fascinating chapter in american social and cultural history like our very own offers compelling evidence of the role that adoption has played in our evolving efforts to define the meaning and nature of both motherhood and family book jacket

recommends policy to provide families and children with an accessible and coordinated means of resolving legal matters in a fair efficient and effective manner

johann georg gumpp 1709 1792 emigrated in 1732 from germany to philadelphia settled in lancaster county pennsylvania and married twice once in germany descendants who chiefly spelled the surname gump lived in pennsylvania ohio indiana kentucky and elsewhere
