el período más conflictivo y dramático de la historia española del siglo xx es sin duda el de la guerra civil y el de la dictadura franquista por lo que se convierte en uno de los temas más delicados a la hora de tratarlo en los manuales de historia en este estudio se analiza la forma en la que los manuales de historia en el franquismo en la transición democrática y en la más reciente actualidad han tratado y tratan el período comprendido entre 1931 y 1975 la investigación analiza la forma y el grado en que los programas y manuales escolares de historia de educación secundaria han

contribuido al fortalecimiento de las convicciones democráticas de los jóvenes y a la generación de una reconciliación viable con el complejo y dramático pasado español respecto de sus momentos más difíciles y controvertidos la guerra civil y el período franquista

en este libro los autores profesores de educación secundaria obligatoria defienden un modelo de calidad basado en la atención a la diversidad frente a un concepto de calidad elitista y selectivo que niega el acceso a etapas educativas superiores a los más desfavorecidos su propuesta esperanzada no parte de un diseño teórico previamente concebido sino que es fruto de una aquilatada experiencia labrada en las aulas día a día durante muchos años de puesta en práctica después de una serie de reflexiones sobre temas hoy tan debatidos como el proyecto de centro la convivencia la evaluación o las necesidades educativas especiales los autores ofrecen una descripción detallada de su modelo de atención a la diversidad aportando instrumentos materiales y estrategias concretas de organización e intervención

If you ally dependence such a referred **Solucionario Biología Y Geología 4 Eso Santillana** books that will meet the expense of you worth, acquire the utterly best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are as a consequence launched, from best seller to one of the most current released.
