this book reports on a longitudinal study of the acquisition of pragmatic markers in written discourse in a third language english by secondary students living in the bilingual spanish and catalan valencian community in spain it examines pragmatic transfer specifically positive transfer in multilingual students from a holistic perspective taking into account their linguistic repertoire and using ecologically valid classroom writing tasks in a longitudinal study it tackles the issue of task based language teaching from a multilingual perspective by presenting a study which takes place in natural classroom contexts where real classroom tasks are used to explore the interaction between languages in multilinguals the book combines a focus on multilingual language development and pragmatics and discusses the resources multilingual learners take to the classroom

publicación bilingüe de algunos aspectos generales del sistema educativo como la legislación la administración educativa etc

uno de los aspectos más valiosos de este libro es que comienza enlazando a través de los dos

primeros artículos la educación universitaria con su nivel inmediatamente anterior la escuela de secundaria una conexión que a menudo se olvida con serios resultados para ambos en este sentido benito camacho martín el autor de uno de los artículos realiza un análisis lúcido y en cierto modo dogmático sobre el declive de la enseñanza de literatura en las escuelas de secundaria tanto en horas dedicadas como en conocimientos adquiridos los otros artículos algunos en inglés y otros en castellano tratan distintos aspectos de la enseñanza de literatura norteamericana con un énfasis manifiesto en materiales del siglo xx y sobre todo en la literatura afro americana de hecho el libro resultará particularmente útil para los profesores de esto último
