this volume is centred around the theme of veiling in islam and provides multifarious aspects of the discussion
regarding veiling of muslim women especially in the west the issue of veiling has been intensively debated in western
society and has implications for religious liberty inter communal relationships and cultural interaction islam and the veil
seeks to generate open and objective discussion of this highly important though controversial subject with contributions
from distinguished scholars and academics including female practitioners of islam this subject has inflamed passions and
generated heated debate in the media in recent years particularly in the west this book aims to look at the historical
background theological and social factors underlying the veiling of women in islam such discussion will provide the

reader with a well balanced and unbiased analysis of this important aspect of islamic practice
