is much of the current dysfunction in our political system attributable to the problematic discourse of politicians pundits and journalists these authors on legal and political discourse say yes this book contains essays by some of the best scholars of political communication that examine modern day american political discourse the contributors address what is problematic in our political discourse and what has resulted in unprecedented levels of gridlock discord and hostility covering everything from the incivility of congress to the spectacle of celebrity politicians the arrogance of republican and democratic presidents to the difficulties of grassroots groups hoping to change the status quo and the partisan shaping of news coverage to the growing influence of political comedians this work provides a frank hard nosed look at what needs fixing offers a critical lens from knowledgeable writers to help those frustrated with our political system to better understand why our discourse is so troubled and lays out suggestions for reclaiming the commonwealth anyone interested in politics government or communication will benefit from learning how recent developments have created a perfect storm that is troubling the waters of our democracy

narratives of jihadi salafi operations are often filled with praise for what are considered exemplary acts of self renunciation in the vein of early islamic tradition while many studies sift through the biographies of these so called martyrs for evidence of social psychological political or economic strain in an effort to rationalize what are often labeled suicide bombings nathan french argues that through their legal arguments jihadi salafis craft a theodicy that is meant to address the suffering and oppression of the global muslim community

gall has compiled a definitive study of right to work campaigns at the national and state levels since the early 1940s section 14 b of the federal taft hartley act allows states to pass laws prohibiting private sector employers and unions from negotiating union shop clauses that require workers in unionized workplaces to become union members as this description implies this issue has nothing to do with serving as an ideological litmus test for organized labor s opponents and supporters several states have passed such laws either via the state legislature or electoral referenda and in several other states right to work proposals have been defeated but no matter who won these legislative and referenda campaigns were quite spirited
