the definitive account of the life and music of hungary s greatest twentieth century composer this deeply researched biography of béla bartók 1881 1945 provides a more comprehensive view of the innovative hungarian musician than

ever before david cooper traces bartók's international career as an ardent ethno musicologist and composer teacher and pianist while also providing a detailed discussion of most of his works further the author explores how europe's political and cultural tumult affected bartók's work travel and reluctant emigration to the safety of america in his final years cooper illuminates bartók's personal life and relationships while also expanding what is known about the influence of other musicians richard strauss zoltán kodály and yehudi menuhin among many others the author also looks closely at some of the composer's actions and behaviors which may have been manifestations of asperger syndrome the book in short is a consummate biography of an internationally admired musician
