whilst contemporary worship music arose out of a desire to relate the music of the church to the music of everyday life this function can quickly be called into question by the diversity of musical lives present in contemporary society mark porter examines the relationship between individuals musical lives away from a contemporary worship music environment and their diverse experiences of music within it presenting important insights into the complex and sometimes contradictory relationships between congregants musical lives within and outside of religious worship through detailed ethnographic investigation porter challenges common evangelical ideals of musical neutrality suggesting the importance of considering musical tastes and preferences through an ethical lens he employs cosmopolitanism as an interpretative framework for understanding the dynamics of diverse musical communities positioning it as a stronger alternative to common assimilationist and multiculturalist models

a community of joy suggests practical innovative and nontraditional forms of worship enabling churches to minister more effectively addresses the felt need for worship renewal shows how liturgical worship and contemporary worship can coexist specifically targets seekers outside the church using worship services as a primary vehicle for evangelism and outreach includes contemporary worship services as illustrations of wright s method

plan and implement contemporary worship that honors tradition

christian worship in north america has undergone great change in recent years but change always brings uncertainty at times even division about what constitutes authentic worship this important book reviews a wide variety of current perspectives and offers a fresh outlook on the contemporary practice of christian worship in order to provide the widest most insightful discussion on present day worship practices yet assembled the authors gathered a team of church musicians ministers worship leaders and educators from eight church traditions discerning the spirits is the fruit of their work shaped by the wisdom of men and women like marva dawn justo gonzalez c michael hawn and john witvliet this book broadens today's worship wars into a bigger richer discussion that moves from arguments over musical tastes to good thinking about the overall purpose of worship in relation to church life and god himself sidebar articles and quotes are meant to draw readers and study groups into dialogue on these issues whether one plays a leadership role in church worship or is simply grappling with questions about it discerning the spirits is a must read

there are many books available on the topic of worship today but few provide a comprehensive practical method for worship design constance m cherry a worship professor and practitioner provides worship leaders with credible blueprint plans for successfully designing worship services that foster meaningful conversation with god and the gathered community readers will learn how to create services that are faithful to scripture historically conscious relevant to god christ centered and engaging for worshipers of all ages in the twenty first century the book sets forth basic principles concerning worship design and demonstrates how these principles are conducive to virtually any style of worship practiced today in a myriad of christian communities it will also work well as a guide for worship planning teams in local churches and provide insight for worship students pastors and church leaders involved in congregational worship

the surprising fascinating and influential story still unfolding which helps us understand our own worship

this book was prepared for lay people congregational leaders pastors church musicians worship leaders and worship committees it provides an answer for those who are asking the question what does it mean to worship as a lutheran in the twenty first century the goal of the book is twofold in today's context with so many different and confusing opinions about worship this book provides lay people and pastors with a clear and understandable presentation of lutheran theology for lutheran worship it gives positive direction and equips worship leaders with concrete practical tools to evaluate contemporary worship forms when these forms are considered for use in the lutheran congregation

this book is a study of how congregational song developed and has been used in the worship of western churches in general and specifically churches in the united states beginning with the worship of ancient peoples the hebrews and early christians and continuing to the present the author examines historically how song has been and is used as an intentional sacred ritual action like prayer or scripture reading written primarily as an introductory text for college and seminary students the overall goal is to make a historical journey with the people events and ideas from which have evolved the various types of song we have in american worship today to help readers think more deeply about the material study questions are given at the end of each chapter

the spirit and the song pneumatological reflections on popular music explores pertinent pneumatological issues that arise in music it offers three distinct contributions first it asks what if anything music tells listeners about god's spiritedness can the experience of music speak to human spiritedness the world's transcendentalty or a person's own self transcendence in ways nothing else does or can second this book explores how the spirit functions within and even determines culture through music because music is a profound human expression it can find itself in a rich dialogue with the spirit third and finally this book explores the contested status of music in christian spiritual traditions it deals with music as inspired by the spirit music as participation in spiritedness and music as temptation of the flesh as such this book also engages music's placement in christian spiritual traditions the contributors of this book ask how christian convictions about and experiences of the spirit might shape the way one thinks about music

the missed mission of the great commission is discipleship or as jesus puts it teaching them to observe all that i have commanded you matthew 28 20 thousands upon thousands of people have come to a personal relationship with jesus christ over the last four decades yet during the same period of time the influence of christianity on the american society has greatly diminished there have been many converts but far fewer have become disciples whose lives testify the presence of jesus as pastor eberly shares about his years of ministry he calls the church back to a new testament paradigm of discipleship he focuses on biblical principles rather than programs because one size does not fit all his book also points to practical ways in which these principles can be applied in whatever situation

assist our song combines accessible teaching about the theology and shape of worship with essential information about the forms of music used including congregational hymns songs canticles and psalm chant and music performed by choirs and

musicians it explores the range of resources available how to extend repertoire blending the old with the new changing patterns of church life and other practical issues its aims are the heightening of the profile of music within the church increasing the skills and understanding on the part of musicians and choirs assisting leaders of worship and empowering congregations to see themselves also as ministers of music it offers practical assistance for the delivery of music choosing music making the most of choirs and working with musicians it will be welcomed by all who lead provide or curate music in worship as well as clergy and ordinands who lack musical expertise or confidence
