the debates about the what who and how of tax policy are at the core of politics policy and economics the economics of tax policy provides a straightforward overview of recent research in the economics of taxation tax policies generate considerable debate among the public policymakers and scholars these disputes have grown more heated in the united states as the incomes of the wealthiest 1 percent and the rest of the population continue to diverge this important volume enhances understanding of the implications of taxation on behavior and social outcomes by having leading scholars evaluate key topics in tax policy these include how changes to the individual income tax affect long term economic growth the challenges of tax administration compliance and enforcement and

environmental taxation and its effects on tax revenue pollution emissions economic efficiency and income distribution also explored are tax expenditures which are subsidy programs in the form of tax deductions exclusions credits or favorable rates how college attendance is influenced by tax credits and deductions for tuition and fees tax advantaged college savings plans and student loan interest deductions and how tax policy toward low income families takes a number of forms with different distributional effects among the most contentious issues explored are influences of capital gains and estate taxation on the long term concentration of wealth the interaction of tax policy and retirement savings and how policy can nudge improved planning for retirement and how the reform of corporate and business taxation is central to current tax policy debates in the united states by providing overviews of recent advances in thinking about how taxes relate to behavior and social goals the economics of tax policy helps inform the debate

the new edition of a popular guide to the key issues in tax reform presented in a clear nontechnical and unbiased way to follow the debate over tax reform the interested citizen is often forced to choose between misleading sound bites and academic treatises taxing ourselves bridges the gap between the oversimplified and the arcane presenting the key issues clearly and without a political agenda tax policy experts joel slemrod and jon bakija lay out in accessible language what is known and not known about how taxes affect the economy and offer guidelines for evaluating tax systems both the current tax system and proposals to reform it this fifth edition has been extensively revised to incorporate the latest data empirical evidence and tax law it offers new material on recent tax reform proposals expanded coverage of international tax issues and the latest enforcement initiatives offering historical perspectives outlining the basic criteria by which tax policy should be judged fairness economic impact enforceability examining proposals for both radical change replacement of the income tax with a flat tax or consumption tax and incremental changes to the current system and concluding with a voter s guide the book provides readers with enough background to make informed judgments about how we should tax ourselves praise for earlier editions an excellent book jeff medrick new york times a fair minded exposition of a politically loaded subject kirkus reviews

andy puzder the former ceo of carl s jr and hardee s says that capitalism is not a dirty word and thankfully president trump understands this his pro business policies will bring back economic growth and secure our future as a successful ceo in the restaurant industry andy puzder uniquely understands how important the profit motive is to our country s ultimate prosperity furthermore as the grandson of immigrants the son of a car salesman and someone who worked his way up from earning minimum wage to running an international business he has a first hand view of how america s exceptional capitalist spirit can lift everyone to

success in 2016 the american people faced a stark choice between two very different presidential candidates hillary clinton spent most of her adult life involved in politics and promised to uphold and advance the progressive legacy of president barack obama who had first won the white house on promises to spread the wealth around donald trump on the other hand came from the business world was an unapologetic capitalist used his own personal wealth as inspiration and promised simply to make america great again by choosing trump over clinton the american people put a stop to decades of government expansion under progressive leadership and they might just have saved our economy by doing so america was once a land where everyone was encouraged to seek their fortune the more prosperous our citizens the more our whole society could in turn prosper but leftist forces in the united states have been seeking to tarnish the pursuit of prosperity and to paint profit as an evil motivation fit only for greedy plutocrats andrew puzder understands this first hand after a progressive smear campaign stopped him from joining president trump s cabinet as puzder explains in his new book the capitalist comeback this was an act of desperation from a left wing facing irrelevance with a pro business president in the white house from its roots in the progressive era to labor unions to education to entertainment to its political resurgence with avowed socialist candidates such as bernie sanders puzder traces the development of the anti profit forces in the united states and shows how under president trump they can be vanquished for good

gain a solid understanding of federal taxation using the proven balanced conceptual approach in concepts in federal taxation 2015 this edition presents today s latest tax codes and changes with a straightforward approach that focuses on understanding the unifying concepts behind the internal revenue code rather than memorizing the details of the code all changes for the recent tax year are included in this revision material throughout this edition is broken into comprehensible segments ideal for cpa exam review extensive examples relate concepts to familiar business scenarios while a wealth and variety of exercises provide more choice in practice than any other text of its kind new cengagenow tm online homework tool optimizes your study while accompanying h r block tm tax preparation software provides experience using professional research and taxation tools count on concepts in federal taxation 2015 for the strong conceptual understanding of taxation you need for ongoing success
