life takes place argues that even in our mobile hypermodern world human life is impossible without place seamon asks the question why does life take place he draws on examples of specific places and place experiences to understand place more broadly advocating for a holistic way of understanding that he calls synergistic relationality seamon defines places as spatial fields that gather activate sustain identify and interconnect things human beings experiences meanings and events throughout his phenomenological explication seamon recognizes that places are multivalent in their constitution and sophisticated in their dynamics drawing on british philosopher j g bennett s method of progressive approximation he considers place and place experience in terms of their holistic dialectical and processual dimensions recognizing that places always change over time seamon examines their processual dimension by identifying six generative processes that he labels interaction identity release realization intensification and creation drawing on practical examples from architecture planning and urban design he argues that an understanding of these six place processes might contribute to a more rigorous place making that produces robust places and propels vibrant environmental experiences this book is a significant contribution to the growing research literature in place and place making studies

arsi[] unpacks ralph waldo emerson s repeated assertion that our reality and our minds are in constant flux her readings of a broad range of emerson s writings are guided by a central question what does it really mean to maintain that everything fluctuates is relational and so changes its identity

jessica huie went from being a teenage mother expelled from school and staying in a hostel to having a glittering career in public relations founding two award winning

businesses and earning an mbe from the queen throughout the course of a career that has spanned more than 20 years she has worked with some of the world s biggest stars and business people including simon cowell samuel l jackson mariah carey and megan markle but there s more to her story than that in purpose jessica shares the lessons she learned as she went from being an individual who felt purposeless and unhappy to someone who recognizes her complete power to design and create a successful meaningful and limitless life built from an authentic foundation using the tools jessica shares you too will feel empowered to get unstuck begin making real change in your own life and the lives of others and live according to your own true purpose

this unique textbook by gerald rau surveys the six predominant models currently used to explain the origins of creation of life of species and of humans alongside his judicious account of the debate as a whole rau equips students with critical tools for evaluating the individual philosophies of science in play

this book provides a comprehensive over view of eighteenth century british medical reform but as an economic historian buer considered the effect of diseases and medical intervention on population growth not on medical ideas other optimistic views of the century either focused like buer on the standard of living debate or a related debate about the role if any of hospitals and public health measures in reducing mortality during the industrial revolution giving only passing attention to disease theory

this book examines the phenomenon of the russian intelligentsia as a cultural story or myth it focuses on one of the most important and influential groups of russian intellectuals the 1960s generation or sixtiers who devoted their lives to defending socialism with a human face authored perestroika and were subsequently demonized when the reforms failed
