editions in hardcover when possible otherwise if later editions are more relevant
they become the primary source many of these works may have been published in
additional formats thirteen major subjects are included with over 2300 listings

some programs include also the programs of societies meeting concurrently with
the association

winner of the j anthony lukas work in progress award atop a craggy mesa in the
northern reaches of the navajo reservation lies what was once a world class
uranium mine called monument no 2 discovered in the 1940s during the
government s desperate press to build nuclear weapons the mesa s tremendous
lode would forever change the lives of the hundreds of native americans who
labored there and of their families including many who dwelled in the valley below
for generations afterward yellow dirt offers readers a window into a dark chapter
of modern history that still reverberates today from the 1940s into the early twenty

first century the united states knowingly used and discarded an entire tribe for the sake of atomic bombs secretly during the days of the manhattan project and then in a frenzy during the cold war the government bought up all the uranium that could be mined from the hundreds of rich deposits entombed under the sagebrush plains and sandstone cliffs despite warnings from physicians and scientists that long term exposure could be harmful even fatal thousands of miners would work there unprotected a second set of warnings emerged about the environmental impact yet even now long after the uranium boom ended and long after national security could be cited as a consideration many residents are still surrounded by contaminated air water and soil the radioactive yellow dirt has ended up in their drinking supplies in their walls and floors in their playgrounds in their bread ovens in their churches and even in their garbage dumps and they are still dying transporting readers into a little known country within a country award winning journalist judy pasternak gives rare voice to navajo perceptions of the world their own complicated involvement with uranium mining and their political coming of age along the way their fates intertwine with decisions made in washington d c in the navajo capital of window rock and in the western border towns where swashbuckling mining men trained their sights on the fortunes they could wrest from tribal land successfully pressuring the government into letting them do it their way yellow dirt powerfully chronicles both a scandal of neglect and the navajos long fight for justice few had heard of this shameful legacy until pasternak revealed it in a prize winning los angeles times series that galvanized a powerful congressman and a famous prosecutor to press for redress and repair of the grievous damage in this expanded account she provides gripping new details weaving the personal and the political into a tale of betrayal of willful negligence and ultimately of reckoning

vols for 1939 include the transactions of the 15th annual meetings of the american association of the history of medicine 1939
