featuring recently declassified material from government departments that had yet to be published in the mass media this is a ground breaking analysis of the largest mobilization of special forces in recent history intelligence specialist leigh neville identifies describes and illustrates the special operations forces sof of the british american and other coalition forces committed to the war on terror in afghanistan since 2001 providing a fascinating insight into specific operations detailing weapons equipment and experiences in combat with extensive first hand accounts providing an eyewitness perspective of the fighting on the ground and including information on the british sas the us delta force australian and canadian special forces as well as mi6 and cia operational units this book provides a crucial study of their skills and successes

amidst the afghan mountains

the patrol vehicles used by special operations forces in afghanistan and iraq varied dramatically between the theatres as well as amongst the coalition members and were developed and upgraded to meet the demands of the deployment covering all the major coalition nations leigh neville continues his look at the elite forces deployed in operations enduring freedom and iraqi freedom with this analysis of their vehicles tracing the evolution of the vehicle types from their historical precedents through their designs to their operational developments he discusses their advantages and disadvantages along with their tactical employment from the mine protected vehicles used to counter the ied threat in iraq the use of strykers as armoured raiding platforms by the us rangers to the civilian vehicles adapted for military service by both coalition troops and private military contractors in the regions this book uses rare in theatre photographs and colour artwork to show the variety and inventiveness of the patrol vehicles being used in combat

an unprecedented introduction to the canadian special operations forces command on february 1 2016 the canadian special operations forces command cansofcom celebrated its tenth anniversary this benchmark passed largely unheralded after all few canadians actually realize their nation possesses special operations forces and fewer yet know canada s long and distinguished history with these forces and the exceptional warriors who fill their ranks cansofcom carries on this tradition and in its short history has earned a reputation for courage professionalism and operational excellence this book is a rare glimpse into the shadows providing detailed information on cansofcom and its units as well as a pictorial history of the command s evolution le 1er février 2016 le commandement des forces d opérations spéciales du canada comfoscan a célébré son dixième anniversaire ce jalon est passé largement inaperçu après tout peu de canadiens savent que leur pays possède des forces d opérations spéciales et encore moins de personnes savent que le canada a une longue tradition prestigieuse avec ces forces et les guerriers exceptionnels qui les composent le comfoscan poursuit cette tradition et depuis sa création ses membres ont été reconnus pour leur courage leur professionnalisme et leur excellence opérationnelle ce livre offre un rare aperçu de ces guerriers de l ombre il offre des informations détaillées sur le comfoscan et ses unités en plus de présenter l histoire illustrée de l évolution du commandement

in the age of modern warfare the changing landscape of the 21st century battlefield has demanded a transformation within the us marine corps special operations adapting to a huge range of combat environments an enormous array of specialist uniforms protective armour and battlefield electronic devices have been developed to facilitate

missions in the most extreme conditions a special forces operator may now have available to him a dozen distinct types of body armour and two dozen different weapons never before in american military history has so much been given to so few authored by j kenneth eward professor at the american military university and illustrated throughout with photographs and meticulous colour plates this volume offers the first detailed authoritative study of the characteristics and performance in the field of the most modern combat gear and weapons provided for usmc specialist operators to date

the first in depth book that sheds light on canada s elite warriors who operate in the shadows in 2001 the canadian government sent elements of its joint task force 2 counterterrorist unit to afghanistan to assist the americans with operation enduring freedom and the global war on terror withdrawn a year later after a brief hiatus jtf 2 returned to afghanistan in 2005 beginning a continuous tour of duty for canadian special operation forces cansof up to the cessation of canadian combat operations in 2011 this book reveals six untold special operations that cansof personnel undertook in their desperate struggle in the shadows to capture or kill taliban leaders facilitators and bomb makers as well as efforts to mentor afghan national security forces from 2005 to 2011 the missions highlight that the nation s sof were no ordinary men

a detailed study of the strategy and pitfalls of operation gothic serpent in somalia

russia s february 2022 invasion of ukraine triggered the bloodiest war in europe since world war ii and raised significant questions about the united states role in europe this csis report examines the u s force posture in europe including the military capabilities personnel infrastructure and agreements that support defense operations and plans and makes recommendations for future u s posture it finds that the united states needs a robust long term military force posture in europe focused on the north atlantic treaty organization s nato eastern flank to deter future russian aggression

covers formation of the department of homeland security increased security measures at airports the enactment of the patriot act of 2001 and the invasions of afghanistan and iraq provides the history of national security in the united states descriptions of the various conventional and nonproliferation treaties and regimes and information on countries of concern to the united states

an extensive collection of significant documents covering all major and minor issues and events regarding terrorism government reports executive orders speeches court proceedings and position papers are presented in full text reprint oceana website

first comprehensive study of the u s army s experience in afghanistan during the first four years of operation enduring freedom oef focuses on army operations in the larger joint and coalition campaign that evolved between october 2001 and september 2005 sheds light on the overall course of oef

a fortnightly bulletin on financial and political trends

this book provides extensive information about pervasive computing its implications from operational legal and ethical perspective so that current and future pervasive service providers can make responsible decisions about where when and how to use this technology provided by publisher

canada and germany are among the largest contributors to the international mission in afghanistan with troops in different parts of the country fulfilling different roles canada s higher ratio of combat to development work is reflected in a higher rate of casualties canadians have sometimes joined in criticisms of germany and other european allies for their unwillingness to take on riskier military tasks in afghanistan s southern and eastern provinces some germans in turn have chided canada for stressing war fighting at the expense of approaches more centred on development this canadian german dialogue reflects a larger debate both operational and existential within nato concerning afghanistan and the future of the alliance this collection of essays by leading german and canadian experts assesses the present state and future prospects of the afghanistan mission both to advance the dialogue and to suggest better approaches to the policy questions that continue to confront the alliance contributors include michael brzoska institute for peace research and security policy mike capstick canadian forces ret university of calgary mihai carp nato andrea charron royal military college rainer glassner university of duisburg essen david haglund queen s university roland kaestner leadership academy of the german armed forces florian kühn helmut schmidt university of the german armed forces janet kursawe german institute of global and area studies david law centre for democratic control of armed forces geneva citha maass german institute for international and security affairs kim nossal queen s university lara olsen university of calgary conrad schetter university of bonn christian reuter der stern and christian wagner german institute for international and security affairs
