who am i what s my life s purpose where am i going when i die these questions lie at the heart of all our lives yet clear answers seem hard to come by a complete guide to the soul explains that answers can in fact be found in a secret history that runs like quicksilver through western culture from philosophy and alchemy to poetry and modern psychology this hidden tradition places our soul at the centre of the universe and shows us how to recover a sense of meaning that so many of us have lost today in this important book patrick harpur explores the nature of our soul as well as its destiny he unpacks the myths that surround it and shows how it may actually be the very fabric of reality and he explains that not until we have a clear understanding of this invisible part of ourselves can we discover the answers to many of our questions about existence and human nature ultimately this knowledge could help us find our true place within the world in which we live

the commentary of st thomas aquinas on aristotle s treatise on the soul translated by r a kocourek

in his last years otto rank turned his lifetime of thought and learning toward two of the most difficult topics in human history religion and the soul the result was this now classic work available in this new very accessible english translation unlike many other intellectuals of the twentieth century rank maintains a place for the soul rather than dismissing it as a fantasy the soul and the beliefs about it he argues set forth the foundation for psychology with its complex analyses of consciousness self consciousness and personality rank s commentary is not limited to beliefs about individual souls but includes ideas about group souls sometimes encompassing nations or generations rank suggests that it is in expression of group beliefs that the idea of the soul attains its greatest power

do we all possess a soul if so what is it can it be defined crawford argues that it is important that we have a soul because if it is immortal then we can hope for life

after death but some religions insist that it is the resurrection of the body which is vital how can the belief in an immortal soul and resurrection of the body be reconciled Crawford attempts to answer this question in the context of six world religions and the science and technology of twenty first century society

this catechism is divided into three parts the first part treats of faith the second of morals the third of the means of grace in the first part our lord appears in his character of teacher in the second in his character of king and in the third in his character of high priest and since this catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many this catechism is in fact nothing more nor less than an abstract of our lord's teaching and may be called a guide book for the christian on the road to heaven preface
