identify interventions to plan individualize and document care here s the resource students will turn to again and again to select the appropriate diagnosis and to plan individualize and document care for more than 800 diseases and disorders across the lifespan for each diagnosis they ll find defining characteristics presented subjectively and objectively sample clinical applications to ensure the selection of the appropriate diagnoses prioritized action interventions with rationales a documentation section and much more

addressing the diversity of communities and experiences across northern canada health and healthcare in northern canada pays attention to what is needed to support and achieve health equity for northern communities and peoples

spiritual midwifery is considered by many to be the bible of the home birth movement this classic book on natural childbirth introduced a whole generation of women to the possibility of home birth and breast feeding at a time when higher levels of technology were the wave of the future the home birth movement testified to the naturalness and normalcy of the birthing process even the sacredness of it ina may gaskin the author is a powerful advocate for a woman s right to give birth without excessive and unnecessary medical intervention now in its fourth edition her voice is needed as much now as then in today s climate of unprecedented numbers of cesarean sections and induced labor knowledge of this birthing process enables women to make informed choices regarding their maternity care and delivery options the birthing stories and section on care of

the newborn are valuable to anyone about to become a parent one of the highlights of this book is the collection of amazing birth tales that replaces misconceptions about childbirth with an awareness of the rights of mothers and babies to experience a conscious and loving process birthing tales from ladies who were babies in earlier editions of spiritual midwifery and stories of amish women from a nearby community who were delivered by the farm midwives bring a fresh perspective also new to this edition is information on postpartum depression and maternal death along with updated information on the safety of natural childbirth and the safety of popular practices such as labor induction and cesarean operations photos of ecstatic faces of mothers and babies permeate the pages the section on instructions to midwives provides excellent clinical information for all health professionals who attend births the stories and information in this volume will remain relevant to women for generations to come

the midwife factor spiritual midwives more than babies if you want to build nurture and multiply your ministry you need the midwife factor whether you are a spiritual midwife lay person or a ministry leader the midwife factor can help you build and grow your ministry learn how to get the most out of yourself and others as you heed god's call to advance the kingdom the midwife factor takes a comprehensive look at the role of the spiritual midwife in the advancement of god's kingdom the midwife factor details how you can experience exponential growth by identifying nurturing and discipling spiritual midwives as they help others birth the visions that god has implanted in them take your ministry to the next level today

all midwives have a professional obligation through the midwives rules to meet the spiritual needs of mothers this topical and easy to read book will help them it explains the nature of spiritual care dispelling the myth that it is only concerned with religion and explores its role as an integral part of midwifery practice using case histories as illustrations the issues relating to educating midwives and students are discussed and suggestions made for course content exploration is made of the role of others in giving spiritual care and how the midwife fits in to these present patterns of care the conclusion of this book provides a resource for potential future research questions

what comes after reflective listening what comes after the ministry of presence spiritual midwifery is a powerful framework for offering pastoral care in today's fast paced environment midwifery offers ways of thinking about those who are served the work itself and what it means to be a clinical caregiver within the tradition of the care of souls spiritual midwifery has philosophical and spiritual roots that stem from the earliest seeds of western thought even back to jesus and socrates readers will find an inductive approach toward a conceptual model that offers insight for richer assessments and outcome oriented goals of care part one sets out the metaphors of the midwife and the dialogue part two unpacks the methodology behind the mechanics part three looks at creative applications of midwifery and is followed by a symposium patterned after plato's own symposium a rigorous theory remains at the center of the work but the tone is poetically balanced enough to invite the transformation of the spiritual caregiver from the philosophy of heraclitus to the theology of kierkegaard to the spiritual direction of guenther the art of spiritual midwifery brings forth a comprehensive conception of pastoral care and its delivery this amazing book gives voice to articles of faith that belong

to all positive transformative endeavors related to humans spiritual educational parental aesthetic imaginative ethical societal and more faller s conceptualization of midwifery goes deep without invoking a transfer of knowledge but rather the skillful facilitation of the individual s own journey toward embracing meaning charla hayden vice president a k rice institute for the study of social systems portland or stephen faller s new book introduces us to the practice of spiritual midwifery in a way that restores it to its proper place not as an historical spiritual activity that has had its day but as an important and fascinating spiritual practice that has much relevance for how we seek to birth contemporary christian spirituality in opening up this fascinating aspect of the care of souls faller provides deep and captivating insights that have real potential for contemporary pastoral care john swinton chair in divinity and religious studies university of aberdeen stephen faller is a board certified chaplain and a clinical pastoral education supervisor as a diplomate of the college of pastoral supervision and psychotherapy in hopewell new jersey he is ordained in the united methodist church he is the author of beyond the matrix 2004 and reality tv 2009 he has a master of divinity from duke divinity school and a master of theology from princeton theological seminary

this is the 1st book in a series titled spiritual birthing ministry of spiritual midwives
