six plein air painters in oakland california joined together in 1917 to form an association that lasted nearly fifteen years the society of six selden connor gile maurice logan william h clapp august f gay bernard von eichman and louis siegriest created a color centered modernist idiom that shocked establishment tastes but remains the most advanced painting of its era in northern california nancy boas s well informed and sumptuously illustrated chronicle recognizes the importance of these six painters in the history of american post impressionism the six found themselves in the position of an avant garde not because they set out to reject conventionality but because they aspired to create their own indigenous modernism while the artists were considered outsiders in their time their work is now recognized as part of the vital and enduring lineage of american art depression hardship ended the six s ascendancy but their painterliness use of color and deep alliance with the land and the light became a beacon for postwar northern california modern painters such as richard diebenkorn and wayne thiebaud combining biography and critical analysis nancy boas offers a fitting tribute to the lives and exhilarating painting of the society of six

for the british empire and its allies of the great war 1917 was a year marked by one crisis after another there was also social and political upheaval on the home front including labour unrest and opposition to conscription in the dominions but here and there glimmers of light pierced the gloom the armies of the empire began to solve the puzzle of trench warfare the dominions asserted themselves more in the councils of imperial power and the united states finally entered the war turning point 1917 examines the british imperial war effort during the most pivotal and dynamic twelve months of the great war written by internationally recognized historians its chapters explore military diplomatic and domestic aspects of how the

empire prosecuted the war their rich nuanced analysis transcends narrow national viewpoints of the conflict to view the british empire as a coalition rather than individual states engaged in their own distinctive struggles in drawing attention to the developments that made 1917 a turning point this book provides a unique perspective of the war

the oakland six may constitute the most important modernist development that occurred in this country during the 1920s
william h gerdts author of american impressionism

this book aims to provide the reader with a reasoned and a comprehensive corpus of a substantial proportion of the wood engraved book and magazine illustrations of the sixties although the period covered is roughly 1855 80 preface

built in birkenhead england from 1862 to 1865 the laird rams were two innovative armored warships intended for service with the confederate navy during the civil war the vessels represented a substantial threat to union naval power and offered the confederacy a potential means to break the union blockade of the southern coastline during 1863 the critical year of the confederacy s last hope of recognition by the british and french president lincoln threatened war with britain if the ships ever sailed under confederate colors built in some secrecy then launched on the river mersey under intense international scrutiny the ships were first seized and then purchased by britain to avoid a war with the united states these armored warships were largely forgotten after the admiralty acquired them historians rarely mention these sister warships if referred at all they are given short shrift this book provides the first complete history of these once famous ironclads that never fired a shot in anger yet served at distant stations as defenders of the british empire

the definitive account of the 2001 2004 new england patriots analyzes the many success factors underlying the team s two super bowl victories in three seasons entertains with humorous insightful quotations from players coaches executives and owners while helping fans vicariously experience life as a new england patriot management secrets is essential reading for any serious fan of bill belichick s patriots and anyone seeking to build a great organization vol 1 covers the team s achievements personnel teamwork motivation and competition vol 2 to be published february 2005 james lavin earned his
