signs across america provides a fascinating and unique look at regional variations in american sign language the authors contacted native signers in 25 states to find out their signs for 130 selected words the results more than 1 200 signs are illustrated in this book it is an invaluable reference for teachers of american sign language that explores the subtle differences in signs from different geographic areas

for several decades following the end of the civil war the most popular sport in the united states was walking professional pedestrians often covered 500 miles or more for up to six grueling days and nights in pursuit of large money prizes in competitions held in big city arenas walking was also a favorite amateur sport newspapers often noted a pedestrian mania or walking fever that only began to give way in the mid 1880s to fast rising crazes for baseball bicycling and roller skating as competitive walking faded however another kind of walking that had also begun in the late 1860s came to full flower between 1890 and 1930 hundreds of men women even children and entire families were on the nation s roads and railroad tracks trekking between widely separated points frequently new york and san francisco and sometimes moving in unusual ways such as on roller skates or by walking barefooted backwards on stilts or while rolling a hoop to finance their attention seeking journeys many sold souvenir postcards although they claimed various reasons for making these treks for most the treks clearly were a means of personal expression the public usually found these performers entertaining but public officials and newspaper editors often denounced them as nuisances or frauds tapping vintage postcards and old newspaper articles this is the first book

to bring back to view this once familiar feature of american life following a prologue providing background and context five chapters address different aspects of this trekking phenomenon in 106 illustrations and seventy six vignettes some poignant many amusing all engaging the book provides a fair representation of the many trekkers who moved across the country during those years an epilogue offers some final musings about those trekking performers and their place in the annals of american popular culture

a fully updated and revised edition of the book usa today called jim dandy pop history by the bestselling american book award winning author the most definitive and expansive work on the lost cause and the movement to whitewash history mitch landrieu former mayor of new orleans from the author of the national bestseller lies my teacher told me a completely updated and more timely than ever version of the myth busting history book that focuses on the inaccuracies myths and lies on monuments statues national landmarks and historical sites all across america in lies across america james w loewen continues his mission begun in the award winning lies my teacher told me of overturning the myths and misinformation that too often pass for american history this is a one of a kind examination of historic sites all over the country where history is literally written on the landscape including historical markers monuments historic houses forts and ships new changes and updates include a town in louisiana that was the site of a major but now forgotten enslaved persons uprising a totally revised tour of the memory and intentional forgetting of slavery and the civil war in richmond virginia the hideout of a gang in delaware that made money by kidnapping free blacks and selling them into slavery entertaining and enlightening lies across america also has a serious role to play in contemporary debates about white supremacy and confederate memorials

a memoir of homecoming heidi across america is a gritty story of how opening our hearts to others enables us to open our hearts to ourselves and love what we find there finalist chauticleer international book awards in the summer of 2010

heidi beierle had just finished her first year of graduate studies in community and regional planning and decided to pedal her bicycle solo from her home on the west coast across rural america to the preserving the historic road conference in washington d c what started as a research trip turned into an intimately physical and psychological encounter with self and nationhood heidi was 35 at the time and didn't love much about herself except her ability to endure grueling physical undertakings she viewed her journey as an opportunity to fix her failures and insufficiencies there were also some research questions she wanted to explore why do people live in small towns and what do they like about it did a bicyclist like herself bring economic benefit to the small towns she visited what could communities do to support or invite cyclists to stay in their towns what could cyclists do to support the communities along the way she was surprised by the kindness of strangers and the emotional pinch of traveling through wyoming where she grew up her journey led her through the plains and into the ozarks where the heat climbed to agonizing temperatures and every pedal stroke in the heat felt one closer to death by the time she completed the trip heidi discovered a newfound compassion for herself and a growing love for her country strangers opened their hearts to her and in turn she opened her heart to herself and her questions began to change and mirror things many americans are asking themselves today how can i be okay in my own skin what does it mean to be enough how do i satisfy my desire to travel without harming the planet what does it mean to love america for many young people it is a rite of passage to light out on an adventure to see the world and expose themselves to new experiences but we don't often talk about how americans seeing america can open us to the diversity awe and wonder available right here in our nation heidi across america offers a journey to self love empathy consideration for others and respect for the spirit of place as pathways to find connection and home

2020 peace corps writers paul cowan award for the best book of non fiction on april 23 1929 the second annual transcontinental foot race across america known as the bunion derby was in its twenty fifth day eddie the sheik gardner an african

american runner from seattle was leading the race across the free bridge over the mississippi river along with the signature outfit that earned him his nickname a white towel tied around his head white shorts and a white shirt gardner wore an american flag a reminder to all who saw him run through the jim crow south that he was an american and the leader of the greatest footrace in the world kastner traces gardner s remarkable journey from his birth in 1897 in birmingham alabama to his success in seattle washington as one of the top long distance runners in the region and finally to his participation in two transcontinental footraces where he risked his life facing a barrage of harassment for having the audacity to compete with white runners kastner shows how gardner s participation became a way to protest the endemic racism he faced heralding the future of nonviolent efforts that would be instrumental to the civil rights movement shining a bright light on his extraordinary athletic accomplishments and his heroism on the dusty roads of america in the 1920s kastner gives gardner and other black bunioneers the attention they so richly deserve

abbott offers a fruitful new way to read science fiction one that also greatly enriches our understanding of western history and its impact on our collective imagination detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps reviewing the work of many hugo and nebula award winners as well as drawing upon popular film and television series like the buck rogers serials abbott s study journeys across the far reaches of science fiction s universe

americans have had an enduring yet ambivalent obsession with the west as both a place and a state of mind michael l johnson considers how that obsession originated how it has determined attitudes toward and activities in the west and how it has changed over the centuries

the shameful story of the over 20 million people who are regularly hungry in america and how they are forced to live
