this richly documented and lavishly illustrated study of orthodox spirituality traces the development of orthodox mysticism from the desert fathers through the patristic tradition to byzantine hesychasm and its heritage in russian monasticism it shows how the work of palamas transcends the limits of one school of spirituality and renews in its deepest essence the life of the christian mystery jacket

explores a fourteenth century debate over man s knowledge of god

the scholarly contributions gathered together in this volume discuss themes related to the cultural social and ethical dimension of st gregory palamas works they relate his mystical philosophy and theology to contemporary debates in metaphysics philosophy of language ethics philosophy of culture political philosophy epistemology and philosophy of religion and theology among others the book considers a variety of topics of special interest to christian theologians philosophers and art historians including church and state relations similarities and differences between palamas contemporary phenomenologists and philosophers of language and hesychast influences on late byzantine iconography

the enlightenment privileged vision as the principle means of understanding the world but the eighteenth century russian preoccupation with sight was not merely a western import in his masterful study levitt shows the visual to have had deep indigenous roots in russian orthodox culture and theology arguing that the visual played a crucial role in the formation of early modern russian culture and identity levitt traces the early modern russian quest for visibility from jubilant self discovery to serious reflexivity to anxiety and crisis the book examines verbal constructs of sight in poetry drama philosophy theology essay memoir that provide evidence for understanding the special character of vision of the epoch levitt s groundbreaking work represents both a new reading of various central and lesser known texts and a broader revisualization of russian eighteenth century culture works that have considered the intersections of russian literature and the visual in recent years have dealt almost exclusively with the modern period or with icons the visual dominant in eighteenth century russia is an important addition to the scholarship and will be of major interest to scholars and students of russian literature culture and religion and specialists on the enlightenment

st gregory palamas represents orthodox theology at its most sublime patristic theology in the fourteenth century of which st gregory is indubitably the greatest exponent touched the very boundaries of theological expression st gregory s sermons are among the finest in patristic literature in his treatment of the manifold themes contained therein he is remarkably consistent in maintaining a balance between originality of thought and strict adherence to the tradition of his predecessors moreover his genius resides in the ease with which he demonstrates as only a master of the spiritual life can the refreshingly practical significance of the doctrines of the church for the life in christ dr christopher veniamin is a spiritual child of st sophrony the athonite 1896 1993 a graduate of the universities of thessalonica and oxford has served as professor of patristics at st tikhon s seminary 1994 2023 and as dean and coo of the antiochian house of studies 2015 2020 he is also the author of the orthodox understanding of salvation theosis in scripture and tradition and the transfiguration of christ in greek patristic literature from irenaeus of lyons to gregory palamas with addendum the transfiguration of christ in the spiritual homilies of macarius the egyptian his translation saint gregory palamas the homilies for which he wrote a prodigious number of scholia is arguably the greatest single volume commentary on the

bible in patristic literature

this study presents a new perspective on an important fourteenth century greek theologian gregory palamas

the theological and anthropological basis for the doctrine of deification as expounded by st gregory palamas 1296 1359

with a combination of essay length and short entries written by a team of leading religious experts the two volume encyclopedia of eastern orthodoxy offers the most comprehensive guide to the cultural and intellectual world of eastern orthodox christianity available in english today from publisher description

this book examines the past and present of the english parish system and proposes a new way of structuring the church in england rooted in the anglo saxon world the english parish is in a state of crisis ideally suited to the static agricultural hierarchical society in which it developed it has become a severe impediment to the church s work today it needs to change in this fascinating and insightful book nick spencer explores the parish s past present and future he shows that rather than being synonymous with english christianity the parish was a comparatively late arrival on the scene and one whose main roots were economic and social rather than ecclesiastical he goes on to explain why the parish is now singularly inappropriate for modern ministry before proposing a genuine alternative based on the system of anglo saxon minster churches out of which parishes grew

this book advocates a substantive common ground in global bioethics it starts from an orthodox christian anthropology to highlight the relationship between hospitality dignity and vulnerability as the meeting point between strangers regardless of their value system the universal experience of suffering and death is the unifying starting point of that anthropology therefore in medicine where physicians and patients meet as utter strangers not only as moral strangers hospitality highlights the human dignity and vulnerability of both parties and establishes gratitude compassion and solidarity as the constructive building blocks of a healing practice of medicine and a humane medical system locally and globally

this book explores the mariology of one of the most unique and fascinating thinkers in the russian orthodox tradition father sergius bulgakov bulgakov develops the russian sophianic mariological tradition initiated by vladimir solo ev and argues that mary is the soul of the world or the pneumatological hypostasis mary is the first and greatest disciple to be adopted by the holy spirit by situating mary within the life and mission of the holy spirit bulgakov maintains the respect and veneration that orthodox christians have for mary but also places mary squarely within the community of disciples mary is a model disciple who reveals that the goal of the spiritual life spiritual motherhood in addition this text reveals

the relevance and importance of bulgakov's contribution to the contemporary discussion about the role of mary in the history of salvation

miracles of the lord is the fifth volume in the series sermons by saint gregory palamas and covers the healing of the paralysed man in capernaum the raising of lazarus the healing of the blind men the raising of the widows child the healing of the man possessed by devils and the healing of the ten lepers

the parables of jesus the fourth volume in the series sermons by saint gregory palamas covers the parables of the publican and the pharisee the prodigal son the second coming the unforgiving servant the marriage feast the sower and of lazarus and the rich man

following a survey of the biblical and classical background wisdom in christian tradition offers a detailed exploration of the theme of wisdom in patristic byzantine and medieval theology up to and including gregory palamas and thomas aquinas in greek east and latin west respectively three principal levels of christian wisdom discourse are distinguished wisdom as human attainment wisdom as divine gift and wisdom as an attribute or quality of god this journey through wisdom in christian tradition is undertaken in conversation with modern russian sophiology one of the most popular and widely discussed theological movements of our time sophiology is characterized by the idea of a primal pre principle of divine human unity sophia manifest in both uncreated and created forms and constituting the very foundation of all that is sophiology is a complex phenomenon with multiple sources and inspirations very much including the church fathers indeed fidelity to patristic tradition was to become an ever increasing feature of its self understanding and self articulation above all in the work of its greatest exponent fr sergius bulgakov 1871 1944 this unmodern turn as it is here christened to patristic sources has however long been fiercely contested this book is the first to evaluate thoroughly the nature and substance of sophiology's claim to patristic continuity the final chapter offers a radical re thinking of sophiology in line with patristic tradition this constructive proposal maintains sophiology's most distinctive insights and most pertinent applications while divesting it of some its more problematic elements

this book argues from a distinctly eastern orthodox perspective for the inseparability of classical hellenism from the greek patristic tradition postulating a common striving for truth in both domains and laying emphasis on the contributions of the ancients and greek paideia to christian learning and culture the essays contained in the volume provide a fruitful strategy in the spirit of the late werner jaeger for looking anew at the greek classical world and christianity through the eyes of the greek fathers the direct inheritors of the ancient greek worldview collectively the author and contributors forcefully demonstrate that conflated with the visionary insights of the jewish prophets and of jewish messianism the wisdom of the ancients served to pave the way for the unfolding of the fullness of christian teaching and its spiritually enlightening revelation
